

Health Checks for Adults with a Learning Disability

Easy Read

Everyone with a learning disability needs to have a health check.

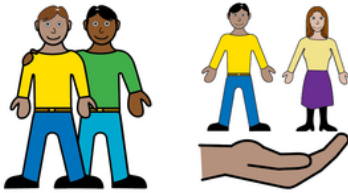

You will get a letter through the post.

Your health check will be at your doctor's surgery or at your home

friend or carer

You can bring someone you know with you.

talk to your doctor and nurse

The nurse will ask you questions about your health.

This will make sure you are getting the help that you need.

good care

The nurse will help you.
