

REPORT TO: Licensing Sub-Committee

MEETING DATE: 12 December 2013

BY: Depute Chief Executive – Resources and People Services

SUBJECT: Taxi Fare Review

1 PURPOSE

- 1.1 For the Licensing Sub-Committee to approve the commencement of the taxi fare review for the hire of taxis in East Lothian.

2 RECOMMENDATIONS

- 2.1 That the Licensing Sub-Committee approves (1) the commencement of the taxi fare review for the hire of taxis in East Lothian and (2) a consultation with persons or organizations who are the representative of, the operators of taxis operating within East Lothian, and (3) the advertising of the general effect of the proposals and the date when they propose that their decision will take effect in the local newspaper.

3 BACKGROUND

- 3.1 In terms of Section 17 of the Civic Government (Scotland) Act 1982, the Licensing Authority is required to fix from time to time scales for taxi fares and other charges and to review these scales at intervals not exceeding 18 months from the date on which the scales came into effect. The fares and other charges currently applying to taxis in East Lothian came into effect on 13 September 2012. The report of 13 September 2012 is annexed as Appendix 1 to this report. The taxi fare details are annexed as Appendix 2.
- 3.2 The Act requires the Licensing Authority in carrying out a review of taxi fares to consult with persons or organizations who are the representative of, the operators of taxis operating within East Lothian and to invite representations from the public by advertising the general effect of the proposals and the date when they propose that their decision will take effect local newspaper.

3.3 In the past, as part of the review of taxi fares, the Licensing Authority has consulted the Licensing Authorities for West Lothian, Midlothian, City of Edinburgh and Scottish Borders as to their current scale of fares and other charges. Copies of the current approved tables for those local authority areas are attached as Appendix 3.

3.4 Before any new scale of fares and other charges may come into force it will be necessary for the Council to advertise any new proposed scale in the press in order to give the opportunity for public representations. A report to the Sub-Committee will be detailed at a later date incorporating (1) any new proposed scale and (2) representations made by the public.

4 POLICY IMPLICATIONS

4.1 There are no policy implications.

REPORT TO: Licensing Sub-Committee

MEETING DATE: 13 September 2012

BY: Executive Director (Support Services)

SUBJECT: Taxi Fare Review

1 PURPOSE

- 1.1 To advise the Licensing Sub Committee on the outcome of the newspaper advertisement of the scale of Taxi fares and charges proposed by the East Lothian Taxi & Private Hire Association.

2 RECOMMENDATIONS

- 2.1 To consider the advertised scale of Taxi fares and charges, and, if approved, to fix same with an effective date to be confirmed in November 2012.
- 2.2 To note that notice of the scale of Taxi fares and charges, as may be fixed by the Licensing Authority, is to be given, informing the recipients of the notice of the effects of Section 18(1) of the Civic Government (Scotland) Act 1982.

3 BACKGROUND

- 3.1 Following the decision of the Licensing Sub Committee, taken at its meeting held on 14 June 2012, that it was intended to make a determination of the scale of fares and other charges, as proposed to that meeting by East Lothian Taxi & Private Hire Association, the proposed scale was advertised in the local East Lothian newspapers on 27 July 2012. A copy of the information advertised appears in Appendix 1, together with a full copy of the proposed tariff and the current tariffs operating in the other Lothian Authorities, for information. Members of the public were given until 27 August 2012 to make representations. At the time of writing this report, no representations had been received.
- 3.2 The Licensing Sub Committee are therefore now in a position to make a decision on whether to fix as the new scale of fares and charges, those advertised, given that no representations on the matter were received

within the statutory period. Following the fixing of the new scale of fares and charges, the Council as Licensing Authority, requires to give notice of their decision, in terms of Section 17(4) of the Civic Government (Scotland) Act 1982, to such persons or organisations as they consulted about the scale, namely the East Lothian Taxi & Private Hire Association, informing them of the general effect of section 18(1) of the Act, which deals with a right of appeal.

- 3.3 Section 18(1) of the Act provides that any person who operates a taxi, for which scales have been fixed, may appeal against these scales to the traffic commissioner within 14 days. If an appeal is lodged, the introduction of the new fee tariff is suspended until the traffic commissioner has issued his decision.
- 3.4 Given the requirement to notify, allow time for appeals, and thereafter to have taxi meters recalibrated to the new rates, it is suggested that the new rates become operative in November 2012. The proposed dates for recalibration of meters will be confirmed as soon as possible.

4 POLICY IMPLICATIONS

- 4.1 None. In fixing a scale of fares and other charges, the Council as Licensing Authority is complying with a statutory duty.

5 EQUALITIES IMPACT ASSESSMENT

- 5.1 This report is not applicable to the well being of equalities groups and an Equalities Impact Assessment is not required.

6 RESOURCE IMPLICATIONS

- 6.1 Financial - None
- 6.2 Personnel - None
- 6.3 Other – None
