

MOTION TO EAST LoTHIAN COUNCIL
24th June 2014

SUPPORTING DADSWORK

This Council pays tribute to the great work of Dadswork in Musselburgh, and elsewhere in East Lothian, working with fathers by providing support groups and a place for dads to meet other dads and talk about their experiences.

The Council is concerned at the potential closure of this valuable community based service and agrees to:

1. Express support for the work of Dadswork.
2. Provide emergency funding to lift the threat of closure.
3. Request that Council Officers bring forward proposals for long term funding for the project to the appropriate committee for approval.
