We are seeking review on the refused application for replacement windows at No.15 Creel Court for the following reasons:
First floor flat with no easy external access to windows for maintenance or cleaning (access to rear only through holiday home below).
Existing timber windows in poor condition from affects of sea salt air, and strong sea winds.
The upvc windows will match the existing style and colour, however will provide a greater performance than the existing timber windows - sound & draught.
No.9 Creel Court already has upvc windows and front door installed. Edward Bean made aware of this as stated in his email of 24/6/16. Photographs of No.9 were submitted with original application.
There are several new build properties within the conservation area where upvc windows have been permitted.
Creel Court is a private road with no through access to the public.

Have you raised any matters which were not before the appointed officer at the time your application was determined? Yes No
