Agenda of Business

Declarations of Interest

Members should declare any financial and non-financial interests they have in the items of business for consideration, identifying the relevant agenda item and the nature of their interest.

1. Minutes for Approval: Planning Committee, 1 May 2018 (**pages 1-4**)
2. Planning Application No.17/00917/PPM: Planning permission in principle for residential development with associated infrastructure, landscaping and engineering works – north east of Cowpits Road, Whitecraig (**pages 5-22**)
3. Planning Application No.18/00205/P: Alterations to and change of use of restaurant, gym, swimming pool facilities and function suites to nursing home and associated works – Quayside, 131 New Street, Musselburgh (**pages 23-28**)

***Note** - this application was called off the Scheme of Delegation List by Councillor Williamson for the following reason: the application proposes a major change of use for the existing facility which would result in the loss of a leisure/restaurant and functions venue. Given (a) the strategic location of the building at Fisherrow Harbour where regeneration plans and action are well underway; and (b) the amount of local opposition voiced through representations made by local umbrella organisations on behalf of the many individual groups who have an interest in the harbour area and in encouraging visitors to the area and to Musselburgh in general, I feel that the Planning Committee should be given the opportunity to consider the application.*

4. Planning Application No.18/00396/P: Erection of storage shed (class 6) – land adjacent to the Harbour, Victoria Road, North Berwick (**pages 29-34**)

***Note** - this application was called off the Scheme of Delegation List by Councillor Goodfellow for the following reason: the applicant appears to have given reasonable locational and requirement justification for this application and I feel whether this application is justified should be decided by committee due to its potential economic importance.*
