4. Planning Application No.18/00431/PM: Renewal of planning permission 15/00022/PM - Construction and operation of a leachate treatment plant (LTP) comprising a series of storage and treatment tanks within a surfaced and bunded compound, together with lagoons, reed beds and ancillary plant and infrastructure at Dunbar Landfill Site, Innerwick, Dunbar **(pages 33-40)**

***Note** - this application was called off the Scheme of Delegation List by Councillor McMillan for the following reasons: DC1 mentions an 'operational requirement' or "other direct operational requirement". In this case, the "requirement" is based on the occupant's need for care and support to stay in his home, provided by having family on hand. I believe this application highlights an issue in terms of demographics, care and wellbeing, which may be a gap in policy and rural development strategy which ought to be addressed by Committee. If such cases show a need for care and were to be supported by appropriate evidence, I believe this should be a factor in determining similar and this application.*
