Supplementary Application Information

This information is required in relation to all Premises Licence/Provisional Licence applications or any application which is a Premises Licence Variation, not considered to be a Minor Variation.

Application submissions generally tend to be insufficiently detailed as to provide a complete picture of what businesses propose to provide the public. Therefore, Licensing Boards often have too little information, in advance of Board hearings, to fully appreciate what is being applied for. This situation often leads to numerous unnecessary objections and representation being made due to interested parties, such as neighbouring residents, not understanding what proposed activities really relate to i.e. What does Live Music actually mean and how will it impact on their lives. For these reasons, the Board has made a policy decision to require applicants to provide a fuller description of their business proposals and detail how the five licensing objectives will be met.

Dear Sir/Madam,

**LICENSING (SCOTLAND) ACT 2005 - APPLICATION FOR THE GRANT OF A  
PROVISIONAL PREMISES LICENCE - REPRESENTATION  
THOMSONS OF TRANENT  
22B WINTON PLACE, TRANENT, EAST LoTHIAN, EH33 1AE.  
SUSAN ANNE THOMSON, [REDACTED]  
[REDACTED]**

I refer to the above application and in terms of Section 21(4)(a)(i) and (ii) of the Licensing (Scotland) Act 2005, I have to advise you that neither the applicant nor any connected person has been convicted of any relevant offence.

I am unable to confirm the existence of any foreign offence in respect of the applicant or any connected person.

Whilst I have no adverse comment to make on the application, I am concerned about the size of the licensed outdoor area to the front of the building. The attached Layout Plan shows the whole of the pavement area, beyond the War Memorial.

This area is currently a public footway, used by pedestrians on a frequent basis. I would therefore request that the applicant consider reducing the licensing area to a more manageable and immediate area outside the premises. I would also request that this area is not used beyond 2200 hours due to the close proximity of residential properties.

I note that the applicant has CCTV fitted and would request that, as a condition of the licence, this is maintained to a good standard. I would also request that the premises join and be an active member of the 'Pub Watch' which operates within Tranent.

Yours faithfully

### **LICENSING SCOTLAND ACT 2005** **PROVISIONAL PREMISES LICENCE APPLICATION**

**Thomson's of Tranent, 22B Winton Place, Tranent, East Lothian EH33 1AE**

I refer to the above subject and can confirm that the LSO has visited the premises regarding this application.

I can confirm the hours applied for both on and off consumption facilities are within policy.

This application emphasises that on consumption will relate to being ancillary to the provision of food, the capacity being 70 indoors and the same number outdoors. It also relates to off-sales, there being an alcohol section in the shop section of the premises, but the relevant display capacity is not declared in response to question 7 of the application. In relation to Part 4 of the Boards Statement of Licensing Policy on Overprovision this capacity requires to be taken into account when deciding proposals which have a particular off-sales impact on alcohol availability in an area within 800 metres of the applicants premises.

To assist the Board determine this application the following premises are within 800 metres of the applicants premises that have licensed off-sales facilities:

Asda 115-157 High Street - display capacity 39m<sup>2</sup>  
Tranent Post Office, 43 High Street - display capacity 9.9m<sup>2</sup>  
Day Today, 26-28 Bridge Street - display capacity 27m<sup>2</sup>  
Tranent Superstore, 32-34 Bridge Street - display capacity 11.2m<sup>2</sup>  
Tranent Mini Market, 76 New Row - display capacity 12.57m<sup>2</sup>

Premises with on consumption and off-sales facilities:

New Plough, 63 High Street  
Whispers, 95 High Street  
Giancarlo's, 119 High Street  
Keepers Arms, Bridge Street  
Brig Inn, Bridge Street  
Tower Inn, 128 Church Street

The applicant has applied for an outdoor area under the canopy at the east entrance and includes the whole area of the war memorial triangle. The capacity will be for 70 persons.

To assist the Board, I have attached coloured photographs of the outdoor area to be licensed.

If granted, the applicant will require to apply to East Lothian Council Transportation Services Division for a tables and chairs permit to use the public footpath for commercial purposes. In addition, I would ask that the following conditions be applied:

- That the outdoor drinking area be clearly delineated.
- The surrounding public footpath should not be blocked or obstructed and no extension of permitted area should be made without further application to the Licensing Board and Transport Services Division.
- That the area will only be used for persons seated at tables.
- That no music or entertainment will be permitted in the external licensed area.
- For safety purposes only approved plastic glasses to be used in the outdoor area.
- That the terminal hour of use of the area will be no later than 22:00. (Practically, to prevent crime and disorder, a terminal hour of 20:00 is a more realistic option).
- That the area will be cleared of furniture no later than 15 minutes after the outdoor terminal hour. Such furniture to be stored securely in an area off the footpath.
- The premises licence holder must ensure that the defined area is kept clear of all waste, including cigarette litter, associated with their business.
- An authorised officer of the Council or Police Scotland may temporarily suspend use of the external area for reasons of public safety.
- Access to any public utility plant or fire hydrant in the area must be made available when required.
- When in use, the area must be capable of being monitored by staff either physically or via an approved CCTV system.

I submit this report for the information of the Board in determining this application.
