

REPORT TO: Cabinet

MEETING DATE: 10 September 2019

BY: Chief Executive

SUBJECT: Corporate Risk Register 2019

1 PURPOSE

- 1.1 To present to Cabinet the Corporate Risk Register 2019 for discussion, comment and approval.

2 RECOMMENDATIONS

- 2.1 It is recommended that Cabinet approves the Corporate Risk Register for 2019.

- 2.2 In doing so, Cabinet is asked to:

- agree that the relevant risks have been identified;
- agree that the significance of each risk is appropriate to the current nature of the risk;
- agree that the total profile of Corporate Risk can be borne by the Council at this time in relation to the Council's appetite¹ for risk;
- recognise that, although while Corporate Risks require close monitoring and scrutiny throughout 2019-20, many are in fact long term risks for the Council that are likely to be a feature of the risk register over a number of years; and,
- note that the Council Management Team will review all risks in the Corporate Risk Register on a regular basis.

3 BACKGROUND

- 3.1 In keeping with the Council's risk management strategy, the Corporate Risk Register has been updated following a review by the Corporate Risk Management Group on behalf of and in consultation with Council Management Team.

¹ How much risk the council can bear, or could be willing to take in pursuit of an opportunity (if it were judged to be (1) worthwhile pursuing and (2) the council was confident in its ability to achieve the benefits and justify the risk).

- 3.2 In presenting the proposed Corporate Risk Register 2019 to Cabinet for approval, the Council Management Team would wish to draw the Committee's attention to one specific matter. All risks have been evaluated using the standard (5x5) risk matrix which involves multiplying the likelihood of occurrence of a risk (scored 1-5) by its potential impact (scored 1-5). This produces an evaluation of risk as either 'low (1-4)', 'medium' (5-9), 'high' (10-19) or 'very high' (20-25).
- 3.3 The Council's response in relation to adverse risk or its risk appetite is such that:
- Very High risk is unacceptable and measures should be taken to reduce, transfer or treat the risk to a more tolerable position
 - High risk may be tolerable providing the Council is assured that adequate and effective control measures are in place
 - Medium risk is tolerable with control measures that are cost effective
 - Low risk is broadly acceptable without any further action to prevent/mitigate risk.
- 3.4 The 2019 Corporate Risk Register includes 9 High risks and 10 Medium risks.
- 3.5 In accordance with the Risk Management Strategy 'Very High' and 'High Risks' identified in the Corporate Risk Register will be subject to closer scrutiny by the Council Management Team, the Cabinet and the Audit and Governance Committee.

4 POLICY IMPLICATIONS

- 4.1 In approving this report the Council will be further establishing a policy that will ensure risk management principles are embedded across the Council.

5 INTEGRATED IMPACT ASSESSMENT

- 5.1 The subject of this report does not affect the wellbeing of the community or have a significant impact on equality, the environment or economy.

6 RESOURCE IMPLICATIONS

- 6.1 Financial – It is the consideration of the Corporate Risk Management Group that recurring costs associated with the measures in place for each risk are proportionate to the level of risk. The financial requirements to support the Register for 2019 should be met within agreed budget allocations. Any unplanned and unbudgeted costs that arise in relation to any of the corporate risks identified will be subject to review by the Council Management Team and if required will be reported to Council.
- 6.2 Personnel – There are no immediate implications.

6.3 Other – Effective implementation of this register will require the support and commitment of the Risk Owners identified within the register.

ELC CR 1	<p>Brexit</p> <p>The uncertainty around Brexit (and the resulting 'deal' or 'no deal') will have an impact on the local economy, local funding and the delivery and funding of council services. With a fast-changing political environment, the wider ramifications of the decision to leave the European Union are yet to be fully identified. Whilst there may be some opportunities, there is also considerable uncertainty that affects areas of the economy, financial markets, interest and exchange rates, construction, grants from the EU, Investment and other non-financial aspects.</p> <p>We may see a gradual slow down during period of uncertainty. A potential council impact (+/-) on:</p> <ul style="list-style-type: none"> Inward investment and positive awareness of the UK; EU funding for council-led business and training projects is known with the timescale permitted for delivery, however the university, farm businesses and other players will be accessing funding from EU sources which will be stopped at some point. Increased input and export costs for local businesses; Council and local business workforce pressures Procurement Inflationary pressures. Which could reduce and could in turn impact on the council, the university, housing market, capital costs resulting from increased cost of labour which could slow business rates growth (Inflation risk based on latest OBR predictions), workforce pressures e.g. regulatory services, social care providers, procurement costs, inflationary pressures caused by fluctuations in sterling value and potentially a loss of EU grants funding. <p>Key potential causes are:</p> <ul style="list-style-type: none"> Gradual slow down during period of uncertainty. ELC CR 2	<p>Managing the Financial Environment</p> <p>The Council may not be able to manage its obligations within the resources available.</p> <p>Reducing general funding levels, increasing ring fenced and short term funding, and increasing demand for services, means that the Council is having to ensure that it remains financially resilient and services can be delivered sustainably.</p> <p>The Council is managing a multitude of pressures, and if these are not successfully planned for and managed effectively over the medium to longer term there would be a serious risk of unplanned / reactive budget realignments with significant adverse impact on availability and quality of both front-line services and required investment in the Council's infrastructure and asset base. This includes the requirement to successfully plan and deliver recurrently identified savings proposals.</p> <p>Over the medium term it is highly likely that the Council's income will, at best, remain static and may even reduce. At the same time it will have specific cost and demand pressures to deal with. These include:</p> <ol style="list-style-type: none"> (1) Supporting the resource requirements associated with the delivery of the growth agenda resulting from the Local Development Plan; (2) Associated demographic change and social-economic pressures; (3) Growing inflationary pressures and contractual commitments including pay and pensions; (4) Potential financial costs associated with a wide range of new obligations or legislative changes. 	<p>The Council has well developed medium term financial planning arrangements. These include:</p> <ul style="list-style-type: none"> • Five year financial strategy; • Three year General Services revenue budgets; • Five year General Services capital plan budgets; • Five year Housing Revenue Account revenue and capital budgets. <p>The Financial Strategy also contains an enhanced reserves strategy which sets out the current level of reserves and associated commitments, including a requirement to maintain a minimum level of uncommitted reserves to support any unforeseen event.</p> <p>The Council has an enhanced range of cost control and financial management arrangements for managing in year budget performance and delivery of planned efficiencies. This includes monthly management information to CMT and wider Council management, and quarterly financial information to Council. This provides mitigating controls in terms of the immediate financial risk and pressures the Council is faced with.</p> <p>In addition, the Council has in place a Transformation Programme which is monitored on a monthly basis by the Council Executive Team, and mitigating actions taken on projects as required to bring them to successful conclusion</p> <p>The Council has in place a Financial Monitoring Risk Assessment where services are assessed and provided within a risk rating. Any service areas which are classified as High Risk are asked to prepare financial recovery plans, and enhanced financial controls are in place.</p> <p>Continue to closely monitor information arising from both UK and Scottish Financial settlements through intelligence gathered from COSLA, professional bodies such as CIPFA Directors of Finance and also credible professional commentators.</p>	4	4	16	<p>Enhanced in year monitoring and review of expenditure commitments against approved budgets.</p> <p>Continued development of budget proposals to ensure that the Council can continue to deliver its obligations within financial resources.</p> <p>Continued development of longer term scenario based financial planning to inform future decisions and longer term financial strategies and financial plans.</p> <p>Continued scrutiny and challenge of planned efficiency measures to ensure they can be delivered and achieved within agreed timescales.</p> <p>Development of annual Capital Strategy supporting the future capital programme.</p> <p>Explore new options for enhanced commercial opportunities within the organisation to maximise income generation for the Council.</p> <p>Ensure the financial strategy sets a clear financial framework for the Council to operate within and that it is appropriately implemented and monitored.</p> <p>The Chief Executive along with the Depute Chief Executives has established a transformation board to oversee delivery of a transformational programme of strategic change projects to improve services and secure planned efficiencies.</p> <p>Establishment of a Budget Review Group chaired by the Chief Executive which will provide enhanced budget scrutiny on the financial performance of the Council.</p>	3	4	12	<p>Chief Executive</p> <p>Depute Chief Executive – Resources and People Services</p> <p>Depute Chief Executive – Partnerships and Community Services</p> <p>Head of Council Resources</p> <p>Chief Operating Officer Finance</p> <p>Council Management Team</p>	<p>Actions ongoing and under continuous review while monitoring arrangements will continue to be applied.</p>	<p>Risk reviewed by Head of Council Resources and Chief Operating Officer Finance May 2019 with no change to assessment of scores.</p> <p>Risk reviewed by Head of Council Resources and Service Managers - Finance May 2017 with Current Score reduced from 20 to 16.</p> <p>Risk reviewed by Head of Council Resources and Service Manager Business Finance May 2016 with no change to assessment of current scores.</p> <p>Risk reviewed by CMT in May 2014 and current score increased from 15 to 20.</p>
ELC CR 3	<p>Welfare Reform</p> <p>The rollout of Universal Credit, (UC) in East Lothian started in April 2015. Whilst initially involving only a small number of cases the subsequent rollout by JCP/DWP of the Universal Credit Full (Digital) Service in East Lothian on 23rd March 2016 has seen a significant number of households migrate from legacy benefits to UC.</p> <p>The main risks/issues associated with the UC rollout include:</p> <ul style="list-style-type: none"> • A wider range of people in scope for claiming UC & higher volume of cases as a consequence 	<p>The Benefits Service is continuing to make full use of additional Discretionary Housing Payment (DHP) and continues to monitor its SWF & DHP expenditure.</p> <p>Council has actively lobbied in various relevant arenas – UK and Scottish Governments both directly and via COSLA. This has resulted in senior DWP Officers attending PPRC Committee meeting to account for UCFS impact on Council performance.</p> <p>Revenues & Benefits Services engage with colleagues in other LAs/RSLs, CoSLA and DWP UC/Job Centre Plus officers to ensure a managed transition to Universal Credit is achieved.</p> <p>DWP funding has been utilised to appoint a Welfare Development Officer. This post is temporary, subject to continuation of funding</p>	4	4	16	<p>Council services will continue to work with the UC Project Team in respect of timescales for the Managed Migration phase rollout of UCFS.</p> <p>Council services will continue to explore the potential for further increasing automation of UC Change of Circumstances notifications (LCTRs).</p> <p>The Benefit Service reserves the option to implement 'high and most compelling' (priority level) in order to keep SWF & DHP expenditure within budget.</p>	3	4	12	<p>Depute Chief Executive – Resources and People Services</p> <p>Service Managers – Benefits & Financial Assessments and Revenues & Welfare Support</p>	<p>December 2019</p> <p>December 2019</p> <p>December 2019</p>	<p>Risks refreshed by Service Managers May 2019 with no change to assessment of current scores.</p> <p>Risk reviewed by Board of Directors August 2018 and Assessment of Current and Residual Scores reduced from 20 and 16 to 16 and 12.</p>

	<ul style="list-style-type: none"> Additional demand for (SWF) Crisis Grants. (Risk of overspend)% increase in UC related current tenant rent arrears An increased risk of reduced take up of Council Tax Reduction and increased arrears Overall reduction in HB caseload brings the size & scope of Benefits Administration into question. DWP Housing Benefit Admin Subsidy distribution methodology changed from 2019/20 onwards. In spite of 'transitional protection' being applied by the DWP this will still result in 'significant' ongoing reductions in ELC's HB Admin' subsidy grant every year until the end of 2021/22 The return of Temporary Accommodation cases from UC Housing Costs to HB has been broadly welcomed, (in respect of claimant's interests). However, contrary to previous service planning expectations this is now expected to increase the number of residual HB cases to be administered by what may soon be a reduced ELC Benefits Service. Reduced HB processing performance below DWP performance expectations is likely to induce more intensive engagements with the DWP Housing Delivery Performance Team and/or Audit Scotland Performance Audit. Increased demand for Discretionary Housing Payments, (DHP) risk of funding gap. Managed migration dates (for remaining HB to UC claims) still to be announced but this represents further financial risk and gives rise to capacity issues. <p>A reduction in DWP (UC related) funding which has been supporting, the Welfare Development Officer and an additional Personal Budgeting Support post along with and Digital Assistance for UC claimants could jeopardise these elements of service delivery.</p> <p>The secondment of experienced Benefits Officers to newly established, temporary Financial Inclusion posts risks further depletion of HB/SWF decision making/processing capacity.</p> <p>As a consequence of reduced grant funding and decisions already taken as part of the Council's budget setting process, staffing structures will be required to change and additional financial savings will need to be delivered.</p> <p>This presents additional risks and challenges:</p> <ul style="list-style-type: none"> A reduction in the number of management posts may reduce command & control capacity and ability to train and develop staff. These changes will also result in increased work pressures for some staff. Risk that reducing income posts would give rise to false economy whereby collection 	<p>Council Officers continue to engage with the new Scottish Social Security Agency in relation to development of devolved and 'localised' welfare provision/administration.</p> <p>An additional £100k was allocated in the Administration budget 2017/18 to help mitigate the impact of UC on rent arrears.</p> <p>Council officers have provided reports/briefings to the Council's PPRC Committee, (Universal Credit/Rent Collection).</p> <p>DWP Universal Support funding has been used to fund a Financial Inclusion post within the Welfare Rights team to provide a Personal Budgeting Support capability for new/recent UC claimants. This post is temporary, subject to continuation of funding.</p> <p>An additional 1.6 FTE Financial Inclusion positions have been funded within the Welfare Rights team to carry out campaign work to help Council tenants prepare for UC managed migration (existing HB claimants). This work will help safeguard the Council's rental income.</p> <p>The Council's Welfare Rights team helps to secure unclaimed welfare benefit money for people who cannot do this themselves and who are often in desperate need of help (£3.5m in 2018/19). The team also works in partnership with Macmillan Cancer Support to provide welfare advice and support to people and families affected by cancer (this project alone secured income gains of over £1.36m for clients in 2018/19). The Council also provides funding to the East Lothian Advice Consortium (Haddington and Musselburgh CAB and Carers of East Lothian) to provide free, impartial, confidential advice (including advocacy and representation) to all residents of East Lothian. Both the Council's Welfare Rights team and the partners in the Consortium are involved in delivering the Council recommendations within the Poverty Commission Action Plan.</p>				<p>East Lothian Advice Services review.</p> <p>ELC Management & staff will continue to engage with other LAs, JCP/DWP, CoSLA and Scottish Government at a range of levels.</p> <p>Service review to integrate the Revenues & Welfare Support and Benefits & Financial Assessments services on a phased basis</p>				<p>Head of Communities & Partnerships</p> <p>Head of Council Resources</p>	<p>March 2020</p> <p>March 2020</p> <p>December 2019</p>	<p>Risk refreshed by Service Managers – Benefits & Financial Assessments and Revenues & Welfare Support July 2018 with no change to assessment of current scores.</p> <p>Risk refreshed by Service Managers – Benefits & Financial Assessments and Revenues & Welfare Support July 2017 with no change to assessment of current scores.</p> <p>Risk refreshed by Service Manager – Benefits, November 2016 with Current Risk Score increased from 16 to 20 due to the introduction of the Universal Credit "Full Service" since March 2016.</p> <p>Risk refreshed by Service Managers – Revenues & Benefits March 2016 with both current and planned scored increased to 16 due to current uncertainty.</p>

ELC CR 4	<p>Information Security and Data Protection</p> <p>Information Security Failure to have comprehensive council wide Information Security Management (ISM) measures in place will put at risk the availability, integrity and confidentiality of the councils information and may cause a Council wide failure of central I.T. systems (incl. All Scottish LA's use the PSN to register Births, Marriages & Deaths and connection to DWP for benefit provision. We have to re-accredit to this network every year and must meet stringent requirements. Failure to do so would mean disconnection from the PSN.</p> <p>In 2017 the Scottish Government introduced the Cyber - Public Sector Action Plan which sets out the minimum security standards for all public bodies</p> <p>Data Protection In May 2018 the UK Government introduced the Data Protection (DP) Act 2018. The 2018 Act updates DP legislation to take account of recent technological innovations and increases the Council's obligations to demonstrate and maintain compliance, as well as enhancing individual rights.</p> <p>The Council reviewed arrangements for handling subject access requests as it anticipated a rise in the number received due to the removal of the £10 fee chargeable under the previous DP Act 1998. ELC CR 5	<p>Limitation (Childhood Abuse) (Scotland) Bill</p> <p>On 16 November 2016 Scottish Government introduced the Limitation (Childhood Abuse) (Scotland) Bill to remove the three year limitation period for civil actions arising out of childhood abuse (defined to include sexual abuse, physical abuse, and emotional abuse) relating to children who have been in the care system. This means survivors no longer have to persuade a court to exercise its power to allow an action to proceed notwithstanding the three year limitation period and may raise action relating to the predecessors Councils responsibilities</p> <p>In conjunction with the Scottish Child Abuse Inquiry there is an increased likelihood of claimants coming forward potentially resulting in financial implications if historic allegations of child abuse are made and upheld against East Lothian Council as the statutory successor.</p> <p>There is no way of knowing how many claims may be made (i.e. all 'living' potential claimants). The Council has received intimation of several claims for compensation and at least two court actions have been raised and are progressing through the Court. It is anticipated this number will rise considerably. The Council's insurers have indicated that they will cover appropriate external legal costs and compensation payments but the cases will place considerable strain on internal resources within the legal, social work and records management teams for which there is no additional budget.</p>	<p>Child Abuse Claims Group and SCAI Overview Group – East Lothian co-ordination of responses, reported strategically, managed flow and collaboration.</p> <p>Close monitoring of the work of the Scottish CAI itself and review of any published materials.</p> <p>Records Management Expertise allows us to respond effectively to SAR requests and information requests / provide evidence.</p> <p>Cross Lothian collaboration on Lothian Region period 1975 to 1996 (and predecessor authorities) re-records management etc.</p> <p>Accurate records post 1996 relating to East Lothian Council clients.</p> <p>Scotland-wide networking and information sharing on SCAI between authorities.</p> <p>Council Financial Reserve – may reduce the impact to service provision if claims extend beyond budget.</p> <p>Continue current working practices with care experienced young people in accord with national legislation and care standards, reducing likelihood of any 'new' claims arising.</p>	4	4	16	<p>CACG and SCAIOG reports to CMT – to sustain level of awareness of risk.</p> <p>Monitor and build a timeline showing the Councils control of the schools from 1975 onwards.</p> <p>Monitor to ensure that there is sufficient staffing resource available to deal with claims, court actions and recovery of documentation and to preserve the Council's position.</p> <p>Make budgetary provision for any additional costs/claims that may not be covered by insurance.</p>	3	3	9	East Lothian Council	Continue to progress all and report quarterly to CMT.	<p>Risk reviewed May 2019 with no change to assessment of current scores.</p> <p>New risk created March 2017 and further reviewed and updated August 2018 with no change to assessment of risk scores.</p>
ELC CR 6	<p>Flooding and Coastal Erosion</p> <p>As the incidence of flooding and coastal erosion increases as an impact of Climate Change, there is an increased risk of disruption to road and path networks, impact on public safety, damage to roads, property, harbours and natural heritage sites and an associated increase in claims against the Council.</p>	<p>Flooding and drainage issues are considered when processing planning applications. Inspection regimes and good housekeeping measures in place.</p> <p>The Severe Weather Response Plan has been developed and ensures a co-ordinated and consistent multi-agency response across the county. Emergency surface water, coastal and river flood procedures in place and have proven effective.</p> <p>Shoreline Management Plan has been produced. A National Flood Risk Management Strategy has been produced and a Local Flood Risk Management Plan for the Forth Area has also been published to meet the requirements of the Flood Risk Management (Scotland) Act 2009 which includes specific actions to be discharged by the Council.</p> <p>Flooding advice is on the Council website and directs people to the relevant pages on the SEPA website.</p> <p>The Council is working with various organisations to promote and progress "Resilient Communities" as per the Scottish Government initiative "Ready Scotland".</p> <p>Communication with vulnerable groups regarding access and assistance during severe weather events.</p>	4	4	16	<p>ELC have commissioned Flood Studies for Haddington and Musselburgh and are progressing a Flood Protection Scheme on the River Esk through Musselburgh.</p> <p>Flood Protection Schemes for Musselburgh and Haddington have been included in the List of Prioritised Actions in the Local Flood Risk Management Plan for the Forth Estuary Local Plan District. Implementation of Flood Protection Works is reliant on available funding. These two schemes are being funded 80% by Scottish Government and 20% by East Lothian Council.</p> <p>The Musselburgh Flood Protection Scheme is a fully established project. It has completed two of its nine stages, and is undertaking Stage 3 – the Option Appraisal Process. ELC CR 15	<p>Development Plan</p> <p>Failure to maintain up-to-date Strategic and Local Development Plans could result in an out of date planning strategy and policy context for planning decisions in East Lothian and lead to a shortfall in the effective 5 year housing land supply. This could prevent us from meeting the needs of our growing population and undermine our ability to defend local planning decisions due to planning by appeal. This could lead to unplanned development at odds with the Council's planning strategy for East Lothian, and consequent reputational damage. It could also contribute towards the Council not being able to achieve its Council Plan objectives – Growing our Economy and Growing our Communities – and related Single Outcome Agreement objectives.</p> <p>The Local Development Plan is also required to support and guide the provision of infrastructure required to meet the needs of our growing population and growing economy.</p>	<p>Details are set out in the Local Development Plan Scheme with timescales (to be reviewed by April 2019 then annually).</p> <p>LDP adopted September 2018 following approval by Scottish Ministers.</p> <p>ELC and SESplan Development Plan Schemes commit to a programme of Development Plan Scheme review (reviewed annually).</p> <p>SESplan Joint Committee, Project Board and Steering Group guide joint authority preparation of Strategic Development Plan for Edinburgh and SE Scotland; this is being replaced through the 2019 Planning Act by a power to pursue a Regional Spatial Strategy either as a single authority or jointly with others and this will be considered along with Regional Growth Framework from City Region Deal.</p> <p>Community Planning Partnership liaison and involvement through East Lothian Strategic Land Use Planning Group.</p> <p>Impact of SDP2 rejection is mitigated for ELC by having an up to date LDP and a greater than 5 years effective housing land supply.</p>	4	2	8	<p>SDP2 has been rejected by Scottish Ministers. SESplan Board and Joint Committee are currently appraising options in response to those, including taking legal advice and liaising with Scottish Government over timescales for transitional arrangements and secondary legislation/guidance. Minister has indicated any new LDPs should be considered in relation to SDP1, though as it is over five years old this may be open to challenge.</p> <p>2019 Housing Land Audit in draft pending consultation with Homes for Scotland with a 6 year housing land supply, backing up plan process.</p> <p>SG and SPG mostly approved/adopted, including Developer Contributions Framework. Remaining 2 items to go to October Council.</p> <p>Preliminary work for LDP2 being reviewed in light of SDP2 rejection. Initial Member, CMT and SMT engagement made. ELC CR 16	<p>Public Sector Reform</p> <p>Major elements of public sector reform have been or are being implemented including:</p> <ul style="list-style-type: none"> Integration of Health and Social Care and creation of a new H&SC Partnership; Implementation of the Community Empowerment (Scotland) Act 2015; New legislative duties in procurement, regulation, and children and young people; Reform of Education <p>Following the Scotland Act 2016 there is continuing uncertainty about the future governance of Scotland, the future structure and governance of local government and the public sector and continuing pressure on public finances.</p> <p>The Scottish Government is carrying out a Review of Local Governance which may result in further public sector reform with impact on local government.</p> <p>The cost of implementing changes arising from legislation is not always fully reflected in Scottish Government funding. In addition, the Scottish Government's commitment to protect and increase funding in priorities such as health and education run the risk of further eroding Scottish Government funding for other local government services.</p> <p>Existing public sector reforms and new reforms create uncertainty, additional workload, requirement to restructure services and new accountability, governance, scrutiny and partnership arrangements.</p>	<p>CMT and elected members work together to ensure that the Council is prepared for future public sector reform and differing scenarios for future governance, financial, operational and performance management arrangements are explored in order to minimise risk.</p> <p>Responses to the Scottish Government on consultations around public sector reform are prepared and submitted as required. Financial and resource scoping is carried out as required.</p> <p>The Integration Joint Board has been established along with appropriate governance and scrutiny arrangements.</p> <p>East Lothian Partnership has a new East Lothian Plan that will meet the requirements set out in the Community Empowerment (Scotland) Act 2015 to have a Local Outcome Improvement Plan. The structure of the Partnership has been revised to provide a more focused approach to implementation of the Plan and addressing issues arising from the public sector reform agenda.</p> <p>Effective working relations with key partners including Police Scotland, Scottish Fire and Rescue Service, NHS Lothian and the voluntary sector are being further developed through East Lothian Partnership and bi-lateral meetings and arrangements to prepare for public sector reform.</p> <p>Area Partnerships now established and will be supported to enhance local service delivery.</p> <p>The Council has put in place processes to deal with its new duties and responsibilities arising from the Community Empowerment (Scotland) Act 2015 such as responding to Participation Requests and Community Asset Transfer requests.</p> <p>Maintain regular communication with employees to manage any uncertainty in times of change.</p> <p>The Council's Transformation Programme will provide resilience to assist to respond to public sector reform.</p>	2	3	6	<p>Continue to monitor developments in the Public Sector Reform agenda and Scottish Government's legislative programme and develop responses to exploit potential benefits from, or mitigate potential negative impacts of, different future scenarios.</p> <p>Reports will be submitted to Council on the implications of the reform proposals and on the Council's preparations, as appropriate which are led by the Chief Executive and senior officers.</p>	2	3	6	Chief Executive	June 2019 Ongoing	<p>Risk reviewed May 2019 with no change to assessment of current scores.</p> <p>Risk reviewed by Board of Directors August 2018 and Assessment of Current and Residual Scores reduced from 12 and 9 to 6 and 6.</p> <p>Risk reviewed and refreshed July 2018 with Current Risk Score reduced from 16 to 12 and residual score from 12 to 9.</p> <p>Risk further reviewed and updated April and August 2017 with no change to assessment of current scores.</p> <p>Risk reviewed and refreshed May 2016 with Current Risk Score increased from 9 to 16.</p>

ELC CR 17	<p>Corporate Events Management</p> <p>Effective preparation and co-ordination across a number of services, for all events held in East Lothian, is essential and failure to achieve this could result in a risk of adverse reputational impact for the Council on a national/international level as well as possible legal procedures at fatal accident enquiries accounting for our action or non-action.</p> <p>COSLA, Police Scotland and the Health & Safety Executive (HSE) recommend that Local Authorities form a core group, led by a senior officer, who will meet to discuss all events taking place within their area over a pre-determined period of time. This group includes category 1 responders and other appropriate organisations and decide if each individual event should be organised through a separate, specific Safety Advisory Group (SAG) or if the event can carry on without interference, other than appropriate safety advice.</p> <p>The following criteria would be considered by the SAG:</p> <ul style="list-style-type: none"> • Status of the principal e.g. HM Queen • Status of the event organiser e.g. Scottish Defence League • The size of the crowd or the number of spectators • The profile of the event e.g. North Berwick Highland games. • The requirement for a TTRO • At the request of one of the partner agencies • At the request of an event organiser <p>The council is involved in events as they tend to take place in Council parks or on our roads and the Council issues licenses and permits for events. The Council also has a statutory role in enforcement /inspection (building control, food hygiene etc.) and will help the organisers with traffic management.</p> <p>If the event organisers fail to have the correct licences or safety processes in place then it is the organisers, not the Council, who face the risk of possible criminal prosecution.</p> <p>East Lothian Council is itself responsible for organising several events on an annual basis. For each event an event organiser will be identified. Each event organiser will attend a SAG meeting if required to do so.</p>	<p>The Council now has a SAG policy and a Senior Officer – Events Co-ordination in place who is now the Single Point of Contact (SPOC) to overview events and event notifications, awareness and assessment to support overarching SAG meetings and Corporate Events Management Group meetings and the actions that flow from these.</p> <p>Events that require to be put through the SAG are managed through a risk profile process which grades each event as having a Red, Amber or Yellow risk. Events graded as Yellow are not required to attend a SAG meeting. Those graded Red and Amber are required to attend a SAG meeting.</p> <p>The Corporate Events Management Group will hold SAG process overview meetings (at least annually) to confirm which events require to attend SAG, based on the risk profile.</p> <p>The SAG process co-ordinates preparation for various events as per the risk profile, with representation from relevant Services areas and Multi-Agency Partners.</p> <p>Event guidance for organisers of events is published on the Council website.</p> <p>Where the SAG group is set up, for a specific event, it has no statutory power to stop it taking place; however, the SAG group can withdraw its support and co-operation which means that the event cannot proceed. In these circumstances the event organiser will be required to notify their insurance provider. Police Scotland will always provide the final advice on public safety.</p>	2	3	6	<p>Events information and documentation accessed through the ELC website will be reviewed by the ELC Event Safety & Resilience Officer. This staff member will also review all processes linked with the SAG process, through his line manager, to continually improve the overall system.</p>	2	3	6	<p>Depute Chief Executive - Partnerships & Community Services</p> <p>Head of Service (Development)</p> <p>Service Manager – Protective Services</p> <p>Team Manager, Economic Development</p>	September 2019	<p>Risk reviewed August 2019 with no changes to assessment of risk scores.</p> <p>New risk created May 2016 and updated April 2017 with current score reduced from 12 to 6 and residual score from 8 to 6 due to implemented measures, chiefly new Senior Officer – Events Co-ordination and SAG process in place.</p>

ELC CR 18	<p>Equality</p> <p>Failure to meet duties and legislative requirements of the Single Equality Act 2010.</p> <p>The Single Equality Act 2010 and related guidance places a general duty on public authorities to be active in promoting equality, eliminating unlawful conduct and fostering good relations. It also places specific duties on public authorities to</p> <ul style="list-style-type: none"> report on mainstreaming the equality duty; publish equality outcomes and report progress; assess and review policies and practices; gather and use employee information; publish gender pay gap information; publish statements on equal pay; consider award criteria and conditions in relation to public procurement; publish in a manner that is accessible. <p>The Scottish Government has introduced a 'socio-economic duty'. This will require the Council to consider the impact of our work on those living in poverty. The Council will need to respond to the full requirements of this new duty and raise awareness of the requirements on the Council.</p> <p>There is a risk that the Council may not be able to meet its general or specific duties and in particular at a time when difficult budget decisions are having to be made that there will be cuts in services or increases in charges that have a disproportionate impact on people who may need those services most because of their equality background.</p> <p>The Council would be open to legal challenge of not meeting its duties and in particular of not carrying out adequate assessment of impact of policies and budget decisions.</p>	<p>ELC Equality Plan in place and available online. A revised Equality Plan was produced in 2017. This includes the commitments made by East Lothian Council as a Licensing Board and as an Education Authority. The plan outlines our commitments:</p> <ul style="list-style-type: none"> Continue to lead a culture where respect, choice and understanding is fostered and diversity positively valued; Maintain a working environment where unlawful discrimination, harassment, victimisation or bullying is not tolerated; Continue to develop our understanding of the needs of different individuals and communities in a time of rapid change; Continue to embed the equality agenda in all our work, and contribute to the early intervention and prevention approach adopted by the Council and its Partners; Improve understanding of the impact of poverty and inequality on people's lives; and Ensure that we plan and deliver services which meet modern standards of delivery and that are inclusive of a wide range of different needs from digital services to face to face interactions <p>The Integrated Impact Assessment Process is embedded and is now widely used. This includes consideration of poverty which should allow us to meet the requirements of the new socio economic duty. A programme of support, including training on the new IIA process is ongoing.</p> <p>The Health & Social Care IJBs (East & Midlothian and City of Edinburgh) along with NHS Lothian will use the 'checklist and IIA form' package, with East and Midlothian Councils using the IIA form only package.</p> <p>HR is annually capturing the employment monitoring information required under the Act, reporting it appropriately and carrying an Equal Pay Audit.</p> <p>ELearning equalities modules are available on Learn Pro and 'Get in on the Act' guides to the Council's legal responsibilities are available for all employees and Elected members. A new e learning package 'Understanding Poverty' has been added to support employees to understand about taking poverty into account when designing services and will be updated once details of the Socio Economic duty are known.</p> <p>The actions from the East Lothian Poverty Commission have been turned into a detailed Action Plan with clearly defined responsibilities and timelines.</p> <p>We will be working with Police Scotland to refresh the East Lothian Hate Crime Action plan.</p>	2	3	6				Depute Chief Executive – Partnerships and Community Services	<p>Risk further reviewed and updated May 2019 with no change to assessment of current scores.</p> <p>Risk register updated August 2017 to include the new Equality Plan and to flag the introduction of the Socio Economic duty. No change to assessment of current scores.</p> <p>Risk further reviewed and updated April 2017 with no change to assessment of current scores.</p> <p>Risk reviewed and refreshed May 2016 with both current and predictive scores reduced from 8 to 6 due to implementation of additional measures.</p>

ELC CR 19	<p>Standards in Public Life</p> <p>Failure of corporate governance or to meet standards in public life.</p> <p>Failure of the Council's corporate governance or of officials or members to meet standards in public life could result in reputational damage.</p>	<p>The main internal controls are the Council's Standing Orders, Scheme of Administration, Scheme of Delegation and Financial Regulations.</p> <p>Standing Orders (the Schemes of Administration and Scheme of Delegation) were extensively revised and approved by Council in August 2013 and further revised on a regular basis since.</p> <p>Councillors, officials and employees conduct is governed by Codes of Conduct. The Standards Commission is responsible for encouraging high standards of behavior by Councillors and will adjudicate where there are allegations that Councillors have breached the Code of Conduct.</p> <p>The Council's Monitoring Officer, Depute Monitoring Officers, legal advisers and the Team Manager, Democratic and Licensing provide advice as required. Internal Audit conducted a review of the process for Councillors' Registers of Interests and Declarations of Gifts and Hospitality and a report was submitted to the Audit & Governance committee in March 2015 for which the recommendations were implemented.</p> <p>A programme of briefings for Councillors established, as well as Ad Hoc briefings, with events currently scheduled every month during the committee session.</p> <p>ELC is developing links with the Local Area Network of audit and inspection agencies and its Auditors.</p> <p>A comprehensive induction programme for Councillors was approved by Council in February 2017 and commenced immediately following the local government election in May 2017. Training continues to take place as required to ensure understanding of the importance of standards in public life including a specific session on the Councillors' Code of Conduct, and it was also referred to in several other sessions. Councillors are provided with a copy of the Code and the accompanying guidance and are provided with copies of any updates as those are issued.</p> <p>Councillors have an ongoing opportunity to participate in a CPD programme, which is currently being developed in conjunction with the Council's Organisational Development Team. This will be based on the offering available from the Improvement Service and the IS have offered to input into the final product. Councillors have an ongoing opportunity to attend Master classes run by the Improvement Service.</p> <p>A six monthly reminder is issued to Councillors regarding updating their Register of Interests and Declarations of Gifts and Hospitality.</p> <p>A 100-day review took place with our Elected Members between August and November 2017. This was carried out by way of face-to-face meetings with Elected Members and covered the Elected Member Induction Programme, the Councillors' Code of Conduct, PA support, office accommodation, Access to Council officers, committee papers, surgeries, and further training and development.</p>	3	2	6	<p>Induction training has been arranged for the new Councillor for the Haddington ward who is to be elected as a result of a by-election on 9 May 2019.</p> <p>A survey of all Councillors is to be carried out in May 2019 establishing their views as to the training and development provided and to identify future needs.</p> <p>Work is to be undertaken on developing a code of conduct for all employees on identifying, registering and handing conflicts of interest.</p>	3	2	6	Service manager – People and Governance and Service Manager – Corporate Policy	<p>June 2019</p> <p>June 2019</p> <p>December 2019</p>	<p>Risk reviewed May 2019 with no change to assessment of risk scores.</p> <p>Risk further reviewed and updated July 2017 with both current and predictive risk scores increased to 6 due to the number of newly elected Councillors.</p>
