1. Minutes for Approval: Planning Committee, 3 September 2019 **(pages 1-8)**
2. Planning Application No.18/00685/P: Alterations to building to form 1 house and associated works at land to rear of 17-18 Carlyle Place, Musselburgh **(pages 9-22)**

***Note** - this application was called off the Scheme of Delegation List by Councillor Currie for the following reason: this application has resulted in a number of representations from constituents and as a result I believe the full Planning Committee would benefit from hearing the case and making the determination.*

3. Planning Application No. 19/00691/P: Erection of 1 house, double garage and associated works at ground to the west of Kiloran, Ormiston **(pages 23-31)**

***Note** - this application was called off the Scheme of Delegation List by a) Councillor Akhtar and b) Councillor Hoy for the following reasons:*

a) DC1 mentions an “operational requirement” or “other direct operational requirement”. In this case, the “requirement” is based on the occupant’s need for care and support to stay in his home provided by having family on hand. I believe this application highlights an issue in terms of demographics, care and wellbeing which may be a gap in policy and rural development strategy which ought to be addressed by Committee. If such cases show a need for care and were to be supported by appropriate evidence, I believe this should be a factor in determining similar and this applications.

b) The Committee previously considered a similar application on this site. Since the last application a number of alterations have been made to address concerns and the material issues raised. I think it is now important that the Committee also consider this new application.
