Note 1:

Please note that the proposed Operating Plan must contain any aspects of the current Operating Plan that are to be preserved should the variation be granted. (e.g. If the current Operating Plan allows a premises to have 'live performances' but this is not requested on the proposed Operating Plan then the Licensing Board would view such an omission as a request to have 'live performances' deleted from the Operating Plan of the Premises.)

Supplementary Application Information

This information is required in relation to all Premises Licence/Provisional Licence applications or any application which is a Premises Licence Variation, not considered to be a Minor Variation. Application submissions generally tend to be insufficiently detailed as to provide a complete picture of what businesses propose to provide the public. Therefore, Licensing Boards often have too little information, in advance of Board hearings, to fully appreciate what is being applied for. This situation often leads to numerous unnecessary objections and representation being made due to interested parties, such as neighbouring residents, not understanding what proposed activities really relate to i.e. What does Live Music actually mean and how will it impact on their lives. For these reasons, the Board has made a policy decision to require applicants to provide a fuller description of their business proposals and detail how the five licensing objectives will be met.

Business Profile

Please describe your business offering.

This is The Main Course on Main Street, Gullane which since its opening has established a very good reputation in Gullane. Operated by the Crolla family, who have another business interest in the town. It may open for early morning coffees and snacks, lunches and evening meals. It caters for many local residents, workers and visitors to Gullane plus tourists visiting Gullane, particularly golfers obviously, plus bird watchers, cyclists etc.

During lockdown, and particularly when it was announced that initially outside areas would be used, our clients contacted their agents to ask if they could use the area to the back of the premises, which was included within the licensed area. Unfortunately Outdoor Drinking was not included as an Activity, as it had not really been envisaged that this area would be used for that purpose. However in the current circumstances our clients have used it, by way of Occasional Licences kindly granted by the Board. They would like to have that facility on a permanent basis.

Initially this involved removing that area from the Licence so that Occasional Licences could be applied for. This Application reinstates that area, now designated as an outdoor dining area, and introduces Outdoor Drinking as an Activity.

(extend this box if you require additional space)

| On/Off Consumption | |
|---|---|
| (a) Please describe the type of business you intend to operate in respect of On consumption. | A. As above. Italian themed restaurant |
| (b) Please describe the type of business you intend to operate in respect of Off consumption & deliveries | B. Off sales include takeaways, collections and deliveries. |

Clarification is required in relation to the content of your proposed Operating Plan
(extend the boxes below if you require additional space)

To what extent do you intend to use any of the following: Accommodation; Conference Facilities; Restaurant Facilities; Bar Meals:

Restaurant Facilities are the principal offering of these premises.

Social Functions – Weddings; Birthdays; Retirements ; Other - If you intend to provide for any of these functions please describe the nature and extent and likely frequency of each:

Social Functions of all kinds are considered.

Entertainment – Recorded Music; Live Performances; Dance Facilities; Theatre; Films; Gaming; Indoor/outdoor sports; Televised Sport - If you intend to provide for any of these facilities please describe the nature and extent and likely frequency of each:

Recorded Music, Live Performances, TV Sport.

Outdoor Drinking Facilities - If you intend to provide outdoor drinking facilities please describe where and what the facilities will be used for. You will also be required to provide a statement in the objectives section how you intend to prevent public nuisance from use of such facilities:

This Application introduces that, which is presently being dealt with by Occasional Licences.

Adult Entertainment – If you intend to provide any entertainment of a sexual nature please state the type and likely frequency if use. Adult entertainment is any form of sexual stimulation and includes adult humour or explicit language. The Board will also expect you to address the objective of preventing harm to children and young persons:

Not applicable.

Activities Outwith Licensed Core Hours - In your Operating Plan, directly below question 5(e), you should have given details of any activity that will be provided outwith core licensed hours. If you wish you can expand on your explanation here:

The premises may open prior to licensed hours for coffees, snacks, breakfasts, soft drinks etc, but no alcohol is sold or supplied until the licensed hours commence.

Any Other Activities - In your Operating Plan at 5(f) you should have given details of any other type of activity you are likely to cater for. It would be useful to give an indication of the extent and frequency of such events:

The Licence contains deliveries, and takeaways which has been very useful during lockdown in particular.

Children and Young Persons – If you intend to provide access for children and young persons on the premises please provide details of what facilities you have on the premises in respect of different age groups. In addition, please state where and what baby changing facilities will be provided for children under five years.

This is a child friendly premise where families are very much encouraged. Baby changing facilities are of course available. Children are catered for in terms of snacks and meals and generally encouraged.

Licensing Objectives - Please provide details below of how you will ensure that the 5 Licensing Objectives are complied with. It may be helpful in answering this section if you refer to the East Lothian Council Licensing Board's 'Statement of Licensing Policy, which can be found at the following link or the Council website [policy link](#)

(extend the boxes below if you require additional space)

Preventing Crime and Disorder:

Our clients consider that they operate premises that Gullane and East Lothian can be proud of. It is a destination premise as well as catering for locals and visitors. Over the years there have been no issues. Our clients have a great relationship with the Police and the LSOs and attract the type of business that does not create problems. The outside area would be operated on a similar basis

Securing Public Safety:

The public safety of our client's staff and their customers are uppermost in their mind. The corona virus lockdown has heightened the responsibility of operators as they do their best to attract business back. Maybe people are still nervous about visiting licensed premises. Our clients want to operate in such a way that customers feel confident ,particularly those who have been shielding for instance. This will include many regular customers to the Main Course. Certainly recent eventst will have heightened customer's expectations of hygiene arrangements for instance, and also even the end of social distancing it is unlikely that customers will want to be in crowded places to the same extent. Our clients will cater for that, and the outside area is part of that equation..

Preventing Public Nuisance:

There have been no complaints from music escape from the premises. So far as customers causing problems either within or when they leave the premises, this has simply not happened. Our clients are good neighbours however and have been there long enough for everyone to know them! Any issues would be dealt with immediately. The operation of the outside area will be done in such a way as to minimize the possibility of this. By the time this Application comes before the Board it will be the case that the outside area will have been used by diners and hopefully will not have caused any issues. Our clients will comply with the time limit for the use of the outside area.

Protecting and Improving Public Health:

Our clients consider alcohol an ancillary, albeit necessary, feature of their type of operation. It is complimentary to the food that they serve, although they do have people just coming in and sharing a bottle of wine etc. However it is not a destination for people who wish to drink to excess, and our clients would not permit customers to do so.

They totally support the Government's recommendations in this respect but drunk people cause problems. That is not what they want. In addition there are extra health risks associated with coronavirus. Our clients follow the Government Guidelines and are always happy to accept guidance from the police and LAO.

Protecting Children and Young Persons From Harm:

As referred to above our clients wish to attract families and cater for a range of soft drinks, plus food, for youngsters. There should be nothing going on in the premises that would be anything other than conducive to children and young persons being in attendance. The restricted hours for under 18s are implemented.

Application Supporting Comments / Any Other Additional Information

(extend the boxes below if you require additional space)

Additional Information:

Outside areas have become far more desirable to customers, because of the health warnings regarding the transmission of COVID19. These areas are therefore particularly important to premises and our clients would like to have the opportunity to make this facility permanent. The preference of people to dine outside, particularly those who were perhaps were shielding, or are elderly for instance when the weather permits, will continue for some time

Supporting Comments: i.e. reasons why the Board should support your application.

These are well known and well run premises in East Lothian. They provide an excellent facility to locals and visitors. Moving forward, outside areas will be important and our clients would like this area to be included in their Licence. They are sure that they can do this without causing any problems to neighbours.

DISABLED ACCESS AND FACILITIES STATEMENT

Licensing (Scotland) Act 2005, section 20(2)(b)(iia)

Question 1

Disabled access and facilities

| | | |
|-------------------------------|--|-----|
| 1(a) | Is there disabled access to the premises | YES |
| 1(b) | Do you have facilities for those with a disability | YES |
| 1(c) | Do you have any other provisions available to aid the use of the premises by disabled people | YES |
| <i>*Delete as appropriate</i> | | |

If you have answered Yes to any of the questions above please complete, as appropriate, the following sections.

Question 2

Disabled access to, from and within the premises

Please provide clear and detailed description of how accessible the premises are for disabled people. e.g. ramps, accessible floors, signage.

The access to the premises is wide enough to easily cater for customers in wheelchairs. Indeed over the years they have had frequent visits by people in wheelchairs. These premises were constructed fairly recently and had to comply with current regulations regarding disabled access. From that point of view they are fully compliant. They do have regular customers who have mobility issues and they are more than adequately catered for. Table service is available and our clients will do everything that they can to look after them.

Question 3

Facilities available

Please describe in detail the facilities provided for disabled people. e.g. disabled toilets, lifts, accessible tables.

There is an accessible toilet.

In general our client's staff have customer's care at heart and will provide advice and assistance to those with mobility problems, but also hearing and sight difficulties. Basically any customer who requires assistance from staff will receive it.

Question 4

Other provisions

Please provide details of any other provisions made to aid the use of the premises by disabled people. e.g. assistance dogs welcome, large print menus.

Once again this matter has been brought to the attention of our clients and they will now do an assessment of what facilities they may be able to provide, and in particular assistance for other types of disability, beyond mobility difficulties, including mental health, sight, hearing and other types of illness.

It is hoped to provide staff with guidance as to how to identify such people and what assistance can be provided.

LICENSING SCOTLAND ACT 2005
PREMISES LICENCE VARIATION APPLICATION

The Main Course, 40 Main Street, Gullane, East Lothian EH31 2AP

I refer to the above subject and can confirm that the LSO has visited the premises regarding this application.

I can also confirm that no complaints or licensing concerns have come to light since the premises licence was granted in 2015.

The Main Course was granted occasional licences to operate and try out the outdoor area from 10th July to 7th October 2020 between the hours of 11:00 and 22:00 hours daily. Although the beer garden has not fully operated during the period so far, due to ongoing refurbishment of the garden area, and only recently opened for use, there have not been any complaints received by Licensing Standards regarding it.

I recommend the licence be granted per the following conditions:

- A sign prohibiting sale or supply of alcohol to persons Under 18 to be clearly displayed at any bar servery.
- A sign stating that No children are permitted within 1.5 metres of any bar servery to be clearly displayed.
- Challenge 25 policy must be used.
- No amplified announcements / music / entertainment permitted to ensure that there is no disturbance or noise nuisance experience by nearby residents.
- The terminal hour for use of the outside area to be 22:00 each day.
