

REPORT TO: East Lothian IJB - Audit and Risk Committee

MEETING DATE: 17 March 2021

BY: Chief Finance Officer

SUBJECT: Risk Register

1 PURPOSE

- 1.1 This paper lays out the IJB's risk register.

2 RECOMMENDATIONS

- 2.1 The Committee is asked to:
- i. Note the current risk register; and
 - ii. Consider if any further risks should be added to the register.

3 BACKGROUND

- 3.1 As a key part of its governance process the IJB maintains a risk register. This risk register examines the risks that impact on the business of the IJB itself and not the operational risks that the IJB's partners manage unless those risks are considered so significant that they could impact on the business of the IJB – that is impact on the ability of the IJB to deliver its strategic plan.
- 3.2 The current version of the risk register is attached. Members are asked to consider if there are additional risks that require to be added to the register and consider if the management actions identified against these current risks provide assurance that these risks are being appropriately managed.

4 ENGAGEMENT

- 4.1 The IJB and its Committees make their papers and reports available on East Lothian Council's website.

5 POLICY IMPLICATIONS

- 5.1 This paper is covered within the policies already agreed by the IJB.

6 INTEGRATED IMPACT ASSESSMENT

- 6.1 There are no implications for health inequalities or general equality and diversity issues arising directly from the issues and recommendations in this paper.

7 RESOURCE IMPLICATIONS

- 7.1 Financial – there are none.
7.2 Personnel – there are none.

	EU Exit	There is a risk that the IJB will not be able to deliver against its objectives, its strategic plan and deliver financial balance against its budget due to the impact the EU Exit may have on Partners.	East Lothian HSCP established a local EU Exit Group to assess service-related risks across all functions arising from departure from the EU. This is chaired by Iain Gorman, Head of Operations. In addition, the HSCP provided regular Impact Assessment Report Updates and was represented at the NHS Lothian EU Exit Strategic Group, the remit for which is to manage EU Exit communication strategy and reporting requirements; assess and monitor current, potential and future risks and impact to NHS service. The NHS Lothian Group has paused meetings at times when updates showed no major issues.	Medium 9	Medium 9	Macdonald, Alison X	Gorman, Iain	04/03/2021	5127	Iain Gorman	The Impact Assessment Report Updates from East Lothian HSCP to the NHS Lothian EU Exit Strategic Group, have consistently shown low risk, with HSCP delivered services and those provided through contracted arrangements taking steps to mitigate risks.	Following a number of meetings and assessment of risks relating to Brexit as low for East Lothian HSCP services and in light of COVID, the HSCP Group was paused during much of 2020. Following no change in updates the scheduled January 13th was cancelled, with services areas asked to highlight if any Brexit-related issues arise, so these can be acted on. Future meetings will be arranged as required.	08/12/2020	31/12/2021	
5045	COVID-19	There is a risk that the IJB will not be able to deliver against its objectives, its strategic plan and deliver financial balance against its budget due to COVID-19 and the response to this.	1. IJB Board/Committee meetings now operating in a virtual manner. 2. Controls in place within HSCP to evidence the response. 3. Part of Partners response to pandemic, NHS Lothian Tactical Response and East Lothian Council CMT. 4. IJB Members Briefings in place. Scottish Government has escalated these risks to Level 3 & 4.	<ol style="list-style-type: none"> 1. Extra capacity available in ELCH. 2. Winter Plan 3.
