

REPORT TO: Audit and Governance Committee

MEETING DATE: 15 June 2021

BY: Chief Executive

SUBJECT: Corporate Governance Self-evaluation and Annual Governance Statement 2021

1 PURPOSE

- 1.1 To advise Members of the results of the Corporate Governance Self-evaluation 2021 and the proposed Annual Governance Statement to be included in the 2020/21 Annual Accounts.

2 RECOMMENDATIONS

The Committee is asked to:

- 2.1 Note the results of the self-evaluation carried out using the Framework (Appendix 1) and consider whether any additional improvement actions should be added.
- 2.2 Note the progress made with the actions included in the 2021-2022 Council Improvement Plan (Appendix 2).
- 2.3 Agree the Annual Governance Statement to be included in the 2020/21 Annual Accounts as set out in paragraph 3.13.

3 BACKGROUND

- 3.1 The Council adopted the principles of Corporate Governance based on the CIPFA / SOLACE guidance in 2010. CIPFA / SOLACE published a new 'delivering good governance' framework in 2016. This is based on Section 3.7 of the CIPFA/ LASAAC Code of Practice on Local Authority Accounting in the United Kingdom which governs the preparation and publication of an Annual Governance Statement. The framework defines the principles that should underpin the governance of each local government organisation. To achieve good governance, each local authority should be able to demonstrate that its governance structures comply with the core and sub-principles contained in the framework.

- 3.2 The Framework has seven core principles:
- A: Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law
 - B: Ensuring openness and comprehensive stakeholder engagement
 - C: Defining outcomes in terms of sustainable economic, social and environmental benefits
 - D: Determining the interventions necessary to optimize the achievement of the intended outcomes
 - E: Developing the council's capacity, including the capability of its leadership and the individuals within it
 - F: Managing risks and performance through robust internal control and strong public financial management
 - G: Implementing good practices in transparency, reporting, and audit, to deliver effective accountability
- 3.3 These seven core principles are supported by 21 sub-principles each of which has a set of behaviours and actions against which good governance in practice can be assessed.
- 3.4 A self-evaluation exercise based on this framework has been undertaken by the Council Management Team, testing the council's governance arrangements against the Good Governance Framework. The self-evaluation has drawn on extensive evidence from council policies and practices and also from the Best Value Assurance audit undertaken by Audit Scotland in 2018 which is still relevant. Assurance is also provided by the external auditors' reviews of internal controls in financial systems and audits which have not identified any significant governance or control weaknesses.
- 3.5 The self-evaluation (Appendix 1) provides evidence to show how the council complies with each of the sub-principles. A self-evaluation score from 1 – 6, where 1 = Unsatisfactory (major weaknesses), and 6 = Excellent (outstanding, sector leading) has been given against each sub-principle.
- 3.6 The council adopted a 2018-2020 Improvement Plan based on the findings and recommendations of the Best Value Assurance Report and the Recognised for Excellence accreditation. This Plan was revised and updated with actions identified by the 2020 Corporate Governance Self-Evaluation and the external auditors' 2019/20 Annual Audit. The 2021-2022 Council Improvement Plan was approved by Council in February 2021. An update on progress with the 2021-2022 Council Improvement Plan (Appendix 2) shows that limited progress has been made against improvement actions, as the council has continued to operate in Business Continuity Plan mode throughout 2020/21 and actions were put

on hold as they are not critical activity. Revised timescales and deadlines have been given to all the actions to be completed by 2022.

- 3.7 The altered working arrangements caused by the invoking of the Council's Business Continuity Plans in response to the COVID-19 emergency have been taken into account in the self-evaluation as has the update on progress made with improvement actions contained in the Council Improvement Plan 2021-2022.
- 3.8 The 2021 Corporate Governance self-evaluation has found that the council continues to comply well with the principles of the framework. Most sub-principles have been scored as 5 (very Good – major strengths) and the remainder as 4 (Good – important strengths with areas for improvement).
- 3.9 The self-evaluation has not identified any additional improvement actions over and above those already included in the 2021-2022 Council Improvement Plan. However, the council is committed to Continuous Improvement and as well as ensuring that the Plan's improvement actions are concluded as planned over the next year it will continue to review its policies and practices.
- 3.10 Council Management team will undertake a COVID-19 Interim Lessons Learned Structured Debrief in June 2021. It is also proposed to hold an Interim Structured Debrief Workshop for all Elected Members. This debrief with Elected Members will explore the experiences – positive and negative – of Members and capture their lessons learned in order to ensure the Council, Elected Members and communities are better prepared for any future pandemics or similar emergency incidents. A final Structured Debrief will be held by the Council Management Team once the Council ceases to be in Business Continuity mode.
- 3.11 This de-brief will include reviewing matters such as Council decision-making, leadership, managing risks and stakeholder engagement. Any corporate lessons learned and relevant improvement actions will be incorporated into an updated Council Improvement Plan.
- 3.12 The Council has a duty under the Scottish Regulator's Strategic Code of Practice to publish an annual statement on compliance with the Code (arising section 5 of the Regulatory Reform (Scotland) Act 2014). The Council fulfils this requirement by incorporating a statement of compliance within the Corporate Governance Self-evaluation.
- 3.13 Taking into account the findings of the Corporate Governance Self-evaluation the following is proposed as the Annual Governance Statement for inclusion in the Council's 2020/21 Annual Accounts.

The 2021 corporate governance self-evaluation has found that East Lothian Council continues to have good governance and control arrangements in place across the seven corporate good practice principles.

In March 2020 the Covid-19 emergency provided a serious test for the Council's risk management and business continuity frameworks. The Business Continuity Plans that were invoked as the UK and Scottish Government's declared the COVID-19 public health emergency on 23rd March provided the basis for the Council's response to the emergency and the 'lockdown' measures imposed by Government.

There have been many examples of service redesign, technology and culture change being rapidly embraced to deliver critical services to the community. The council's ELC values – Enabling, Leading and Caring – and the East Lothian Way behaviours have underpinned the Council and council staff response to the emergency.

The Council has implemented amended governance arrangements, significant investment, new ways of decision-making, leadership and implementation including virtual meetings, conference calls, and systems remote access and authorisation processes. Control environments have been at increased risk for short periods of time whilst appropriate controls have been implemented. The Council will carry out a structured debrief which will highlight any lessons learned and improvement actions.

The Council's 2021 governance self-evaluation has not identified any further areas for development and improvement above those that were identified in the 2020 self-evaluation and were subsequently included in the 2021-2022 Council Improvement Plan. Just as importantly, it has re-affirmed, that it will continue to review and benchmark its practices and policies to build on existing good practice and improvement actions already being implemented, in order to ensure the Council continues its progress from continuous improvement through to excellence.

4 POLICY IMPLICATIONS

- 4.1 The corporate governance code and self-evaluation framework detailed in Appendix 1 complement the Council's *How Good is Our Council* self-evaluation. The corporate governance self-evaluation fulfils the Council's commitment to assess whether it meets the principles and requirements set out in the guidance on Delivering Good Governance in Local Government. The addition of the summary of the self-evaluation to the Internal Financial Control statement will fulfil the remit to include an Annual Governance Statement in the Council's Annual Accounts.

5 INTEGRATED IMPACT ASSESSMENT

- 5.1 This report is not applicable to the well being of equalities groups and an Integrated Impact Assessment is not required.

6 RESOURCE IMPLICATIONS

- 6.1 Financial – none.
- 6.2 Personnel – none.
- 6.3 Other – none.
