

## **East Lothian Integration Joint Board Audit and Risk Committee ('Those Charged with Governance')**

**14 September 2021**

### **East Lothian Integration Joint Board Audit of 2020/21 annual accounts**

#### **Independent auditor's report**

**1.** Our audit work on the 2020/21 annual accounts is now substantially complete. We anticipate being able to issue unqualified audit opinions in the independent auditor's report on 27 September 2021 (the proposed report is attached at [Appendix A](#)).

#### **Annual audit report**

**2.** Under International Standards on Auditing in the UK, we report specific matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. We present for the East Lothian Integration Joint Board Audit and Risk Committee's consideration our draft annual report on the 2020/21 audit. The section headed "Significant findings from the audit in accordance with ISA 260" sets out the issues identified in respect of the annual accounts.

**3.** The report also sets out conclusions from our consideration of the four audit dimensions that frame the wider scope of public audit as set out in the Code of Audit Practice.

**4.** This report will be issued in final form after the annual accounts have been certified.

#### **Unadjusted misstatements**

**5.** We also report to those charged with governance all unadjusted misstatements which we have identified during the course of our audit, other than those of a trivial nature and request that these misstatements be corrected.

**6.** We have no unadjusted misstatements to be corrected.

#### **Representations from Chief Finance Officer**

**7.** As part of the completion of our audit, we are seeking written representations from the Chief Finance Officer on aspects of the annual accounts, including the judgements and estimates made.

**8.** A draft letter of representation is attached at [Appendix B](#). This should be signed and returned to us by the Chief Finance Officer with the signed annual accounts prior to the independent auditor's report being certified.

## **Appendix A: Proposed Independent Auditor's Report**

### **Independent auditor's report to the members of the East Lothian Integration Joint Board and the Accounts Commission**

#### **Reporting on the audit of the financial statements**

##### **Opinion on financial statements**

I certify that I have audited the financial statements in the annual accounts of the East Lothian Integration Joint Board for the year ended 31 March 2021 under Part VII of the Local Government (Scotland) Act 1973. The financial statements comprise the Comprehensive Income and Expenditure Statement, Movement in Reserves Statement, Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the 2020/21 Code).

In my opinion the accompanying financial statements:

- give a true and fair view in accordance with applicable law and the 2020/21 Code of the state of affairs of the East Lothian Integration Joint Board as at 31 March 2021 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2020/21 Code; and
- have been prepared in accordance with the requirements of the Local Government (Scotland) Act 1973, The Local Authority Accounts (Scotland) Regulations 2014, and the Local Government in Scotland Act 2003.

##### **Basis for opinion**

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I was appointed under arrangements approved by the Accounts Commission on 10 April 2017. The period of total uninterrupted appointment is five years. I am independent of the East Lothian Integration Joint Board in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the East Lothian Integration Joint Board. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

##### **Conclusions relating to going concern basis of accounting**

I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the East Lothian Integration Joint Board's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

## **Risks of material misstatement**

I report in a separate Annual Audit Report, available from the Audit Scotland website, the most significant assessed risks of material misstatement that I identified and my judgements thereon.

## **Responsibilities of the Chief Finance Officer and the Audit and Risk Committee for the financial statements**

As explained more fully in the Statement of Responsibilities, the Chief Finance Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chief Finance Officer is responsible for assessing the East Lothian Integration Joint Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

The Audit and Risk Committee is responsible for overseeing the financial reporting process.

## **Auditor's responsibilities for the audit of the financial statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities outlined above to detect material misstatements in respect of irregularities, including fraud. Procedures include:

- obtaining an understanding of the applicable legal and regulatory framework and how the East Lothian Integration Joint Board is complying with that framework;
- identifying which laws and regulations are significant in the context of the East Lothian Integration Joint Board;
- assessing the susceptibility of the financial statements to material misstatement, including how fraud might occur; and
- considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the East Lothian Integration Joint Board's controls, and the nature, timing and extent of the audit procedures performed.

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of my auditor's report.

## **Reporting on other requirements**

### **Opinion prescribed by the Accounts Commission on the audited part of the Remuneration Report**

I have audited the part of the Remuneration Report described as audited. In my opinion, the audited part of the Remuneration Report has been properly prepared in accordance with The Local Authority Accounts (Scotland) Regulations 2014.

### **Statutory other information**

The Chief Finance Officer is responsible for the statutory other information in the annual accounts. The statutory other information comprises the Management Commentary, Annual Governance Statement, Statement of Responsibilities and the unaudited part of the Remuneration Report.

My responsibility is to read all the statutory other information and, in doing so, consider whether the statutory other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this statutory other information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the statutory other information and I do not express any form of assurance conclusion thereon except on the Management Commentary and Annual Governance Statement to the extent explicitly stated in the following opinions prescribed by the Accounts Commission.

### **Opinions prescribed by the Accounts Commission on Management Commentary and Annual Governance Statement**

In my opinion, based on the work undertaken in the course of the audit:

- the information given in the Management Commentary for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with statutory guidance issued under the Local Government in Scotland Act 2003; and
- the information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Delivering Good Governance in Local Government: Framework (2016).

### **Matters on which I am required to report by exception**

I am required by the Accounts Commission to report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements and the audited part of the Remuneration Report are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

### **Conclusions on wider scope responsibilities**

In addition to my responsibilities for the annual accounts, my conclusions on the wider scope responsibilities specified in the Code of Audit Practice, including those in respect of Best Value, are set out in my Annual Audit Report.

### **Use of my report**

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Dear Gillian

### East Lothian Integration Joint Board Annual Accounts 2020/21

1. This representation letter is provided in connection with your audit of the annual accounts of the East Lothian Integration Joint Board (the ELIJB) for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the financial reporting framework, and for expressing other opinions on the remuneration report, management commentary and annual governance statement.
2. I confirm to the best of my knowledge and belief and having made appropriate enquiries of the ELIJB's Audit and Risk Committee, the following representations given to you in connection with your audit of the ELIJB annual accounts for the year ended 31 March 2021.

#### General

3. The ELIJB and I have fulfilled our statutory responsibilities for the preparation of the 2020/21 annual accounts. All the accounting records, documentation and other matters which I am aware are relevant to the preparation of the annual accounts have been made available to you for the purposes of your audit. All transactions undertaken by the ELIJB have been recorded in the accounting records and are properly reflected in the financial statements.
4. I confirm that the effects of uncorrected misstatements are immaterial, individually and in aggregate, to the financial statements as a whole. I am not aware of any uncorrected misstatements other than those reported by you.

#### Financial Reporting Framework

5. The annual accounts have been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (2020/21 accounting code), mandatory guidance from LASAAC, and the requirements of the Local Government (Scotland) Act 1973, the Local Government in Scotland Act 2003 and The Local Authority Accounts (Scotland) Regulations 2014.
6. In accordance with the 2014 regulations, I have ensured that the financial statements give a true and fair view of the financial position of the ELIJB at 31 March 2021 and the transactions for 2020/21.

#### Accounting Policies & Estimates

7. All significant accounting policies applied are as shown in the notes to the financial statements. The accounting policies are determined by the 2020/21 accounting code, where applicable. Where the code does not specifically apply, I have used judgement in developing and applying an accounting policy that results in information that is relevant and reliable. All accounting policies applied are appropriate to the ELIJB circumstances and have been consistently applied.

**8.** The significant assumptions used in making accounting estimates are reasonable and properly reflected in the financial statements. Judgements used in making estimates have been based on the latest available, reliable information. Estimates have been revised where there are changes in the circumstances on which the original estimate was based or as a result of new information or experience.

### **Going Concern Basis of Accounting**

**9.** I have assessed the ELIJB's ability to continue to use the going concern basis of accounting and have concluded that it is appropriate. I am not aware of any material uncertainties that may cast significant doubt on the ELIJB's ability to continue as a going concern.

### **Liabilities**

**10.** All liabilities at 31 March 2021 of which I am aware have been recognised in the annual accounts.

**11.** There are no plans or intentions that are likely to affect the carrying value or classification of the liabilities recognised in the financial statements.

### **Fraud**

**12.** I have provided you with all information in relation to

- my assessment of the risk that the financial statements may be materially misstated as a result of fraud
- any allegations of fraud or suspected fraud affecting the financial statements
- fraud or suspected fraud that I am aware of involving management, employees who have a significant role in internal control, or others that could have a material effect on the financial statements.

### **Laws and Regulations**

**13.** I have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.

### **Related Party Transactions**

**14.** All material transactions with related parties have been appropriately accounted for and disclosed in the financial statements in accordance with the 2020/21 accounting code. I have made available to you the identity of all the ELIJB's related parties and all the related party relationships and transactions of which I am aware.

### **Remuneration Report**

**15.** The Remuneration Report has been prepared in accordance with the Local Authority Accounts (Scotland) Regulations 2014, and all required information of which I am aware has been provided to you.

### **Management commentary**

**16.** I confirm that the Management Commentary has been prepared in accordance with the statutory guidance and the information is consistent with the financial statements.

## **Corporate Governance**

**17.** I confirm that the ELIJIB has undertaken a review of the system of internal control during 2020/21 to establish the extent to which it complies with proper practices set out in the Delivering Good Governance in Local Government: Framework 2016. I have disclosed to you all deficiencies in internal control identified from this review or of which I am otherwise aware.

**18.** I confirm that the Annual Governance Statement has been prepared in accordance with the Delivering Good Governance in Local Government: Framework 2016 and the information is consistent with the financial statements. There have been no changes in the corporate governance arrangements or issues identified, since 31 March 2021, which require to be reflected.

## **Balance Sheet**
