MEETING DATE: 21 September 2021

BY: Service Manager – Internal Audit

**SUBJECT:** Revised Internal Audit Plan 2021/22

#### 1 PURPOSE

1.1 To inform the Audit and Governance Committee of Internal Audit's revised operational plan for 2021/22.

#### 2 RECOMMENDATION

2.1 The Audit and Governance Committee is asked to approve the revised Audit Plan for 2021/22.

#### 3 BACKGROUND

- 3.1 As advised to the Audit and Governance Committee, a revised Internal Audit Plan for 2021/22 is being presented to the Audit and Governance Committee to take account of the revised risk profile of the Council as the response to, and initial recovery from, the impact of COVID-19 continues. This plan will operate from September 2021 to June 2022.
- 3.2 The annual audit plan has been prepared in accordance with Public Sector Internal Audit Standards (PSIAS).
- 3.3 In preparing the annual audit plan a range of factors have been taken into account, including:
  - the Council Plan 2017-22 and the key actions that the Council will pursue in order to meet its objectives;
  - areas highlighted by Senior Officers;
  - revised corporate and service area risk registers;
  - the Council's performance and financial statements;

- changes in service delivery;
- the findings from previous years' audit work; and
- the need to incorporate flexibility for reactive/investigatory work.
- 3.4 Internal Audit's primary role is to independently review internal control systems within the Council. Internal Audit will evaluate the adequacy and effectiveness of controls in responding to risks within the Council's governance, operations and information systems, regarding the:
  - Achievement of the Council's strategic objectives.
  - Reliability and integrity of financial and operational information.
  - Effectiveness and efficiency of operations and programmes.
  - Safeguarding of assets.
  - Compliance with laws, regulations, policies, procedures and contracts.
- 3.5 Internal Audit are required to give an opinion on the Council's control environment in the annual Controls Assurance Statement and the audit work carried out will contribute to this opinion.
- 3.6 The provision of the Internal Audit service is on an in-house basis by the Council's Internal Audit Unit. The resources available have been applied to individual audits and a detailed operational plan has been produced for 2021/22 (see Appendix A).
- 3.7 Internal Audit will adopt a risk based approach to audit assignments as the principal means of providing assurance on the adequacy, reliability and effectiveness of internal controls. Testing of controls will be carried out on a sample basis. Samples are selected according to an agreed sampling methodology.
- 3.8 For each individual audit, a detailed audit report is prepared for the relevant member(s) of the Council Management Team (CMT). Copies of the audit report are provided to the Chief Executive, External Audit and to members of the Audit and Governance Committee.
- 3.9 Follow-up audits will be carried out to review the implementation of the recommendations made.

#### **AUDIT COVERAGE**

3.10 Core Financial Systems, Risk Assessed Service and Corporate Audits – Internal Audit will review the Council's systems to provide assurance on the adequacy and effectiveness of internal controls. The audit plan includes a range of risk assessed core financial systems and non-financial audits.

- 3.11 Statutory Audits Internal Audit undertake audit work in respect of specific grant awards made to the Council by the Scottish Government, to ensure compliance with grant conditions. In addition work to provide assurances required by the Scottish Housing Regulator will also be completed.
- 3.12 Best Value Audit Internal Audit will review the systems in place for the preparation and reporting of Performance Indicators.
- 3.13 Investigations Time has been allocated to carry out work on the National Fraud Initiative 2020/21, and provide a reactive service to investigate fraud and irregularity when appropriate.
- 3.14 Integration Joint Board (IJB) The Committee is asked to note that in 2021/22 internal audit services to the East Lothian IJB will be provided by East Lothian Council's Internal Audit Unit and time has been allocated to carry out audit work for the IJB.

#### INTERNAL AUDIT PERFORMANCE INDICATORS

3.15 Internal Audit will report on the completion of the annual audit plan, the percentage of audit recommendations accepted by Management and the percentage of audit staff with CCAB accounting qualifications.

#### OTHER FACTORS

- 3.16 The Committee should note that reactive work may impact heavily on the Internal Audit Unit's ability to complete the audit plan. Contingency days are built in for 2021/22 in the investigations section, but by its nature reactive work is difficult to predict, particularly as COVID-19 controls changes continue to develop.
- 3.17 The plan and its completion have added importance, given its contribution to the annual Controls Assurance Statement to be prepared at the end of 2021/22.
