Supplementary Application Information

This information is required in relation to all Premises Licence/Provisional Licence applications or any application which is a Premises Licence Variation, not considered to be a Minor Variation.

Application submissions generally tend to be insufficiently detailed as to provide a complete picture of what businesses propose to provide the public. Therefore, Licensing Boards often have too little information, in advance of Board hearings, to fully appreciate what is being applied for. This situation often leads to numerous unnecessary objections and representation being made due to interested parties, such as neighbouring residents, not understanding what proposed activities really relate to i.e. What does Live Music actually mean and how will it impact on their lives. For these reasons, the Board has made a policy decision to require applicants to provide a fuller description of their business proposals and detail how the five licensing objectives will be met.

Preventing Crime and Disorder: we as a company will, aim to work with a code. The aim of this code is to provide guidance on good practice for the promotion of the four licensing objectives which are paramount considerations at all times. Well trained staff will contribute to well-run premises and a responsible approach to the sale of alcohol.

I will only sell alcohol only to people aged 18 and above and challenge any one with an ID who looks 21...

All staff will be advised of licensing law in writing before they are allowed to serve alcohol.

Securing Public Safety: for our deliveries, a full risk assessment will be done taking into account staff and customers safety. This will be carried out at the premises to delivery point to identify potential hazards posed to staff or customers and setting out precautions to manage the hazards.

During our deliveries, first aid boxes will be available at the premises, in the van and will be maintained with sufficient in date stock.

Preventing Public Nuisance:

not applicable

Protecting and Improving Public Health:

Drinks promotions will not be allowed and be socially responsible and this will reduce drunk, dealing and not encourage excessive drinking.

Driving Staff training on the effects of alcohol and how to spot early signs of customers becoming drunk will be provided to give them the knowledge and confidence to deal with drunken patrons.

Protecting Children and Young Persons From Harm:

Operate a strict 'No ID – No Sale' policy during our deliveries.

'Challenge 21' scheme will serve as a reminder to driving staff of the need to be vigilant in preventing underage sales and to customers that it is against the law for anyone under 18 to purchase alcohol.

A 'Challenge 25' scheme will give driving staff additional support and encouragement to ask for ID from any person appearing to be under 25 years of age to prove that they are over 18.

our drivers will be trained to Only accept photographic driving licences, passports or PASS (Proof of Age Standards Scheme) cards approved as means of ID. We will train delivery drivers to accept other forms of ID such as EU National ID cards, these must bear a photograph, date of birth and holographic mark.

Staff, drivers training in the age related sections of the Licensing Act 2003 shall be provided. This includes the ability to competently check customers' identification where necessary.

From: Karen Harling

Licensing Standards Officer

Clerk to the Licensing Board

Date: 3rd November 2022

Subject: LICENSING (SCOTLAND) ACT 2005

PREMISES LICENCE MAJOR VARIATION 2022

**HADDINGTON WINES AND WHISKIES, 82 HIGH STREET, HADDINGTON,
EAST LoTHIAN, EH41 3ET**

I can confirm that the applicant and premises have been visited in relation to this variation application.

The changes applied for are:

- Addition of deliveries of food and alcohol

I spoke with the premises licence holder Shivakumar Kandaswamy about the Snappy shopper app that the premises is using along with training requirements and responsibilities involved whilst conducting deliveries. Guidance was given that all drivers are required to complete the 2 hours mandatory training and training records completed. An age verification policy was provided for guidance and use.

In summary, the proposed changes are supported by Licensing Standards and I would recommend the following condition:

- Should the applicant operate a service of delivery of alcohol to customers, the terms of the Licensing (Scotland) Act 2005 Section 119 and those of the Board's statement of licensing policy on deliveries of alcohol, should be complied with.
