

REPORT TO: Licensing Sub-Committee

MEETING DATE: 14 September 2023

BY: Head of Corporate Support

SUBJECT: Civic Government (Scotland) Act 1982 (the 1982 Act)
(Licensing of Short-Term Lets) Order 2023
Application for Grant/Renewal of a Licence to operate a
Short-term Let (STL) at 1 Ivory Court, Langriggs,
HADDINGTON, EH41 4BY

4C

1 PURPOSE

- 1.1 A licence application (Appendix 1) for the grant of an STL licence has been received from Elizabeth Doig, to allow them to operate the property at 1 Ivory Court, Langriggs, Haddington, EH41 4BY as a Short-Term Let (STL).
- 1.2 Nine objections from neighbours have been received on between 8 and 19 June 2023 regarding various issues. Relevant representations and objections require to be considered prior to the council taking a decision on the licence application, and it is therefore a requirement that this application is determined by the Licensing Sub-Committee and not through delegated powers.
- 1.3 The sub-committee is required to focus on the suitability of the property as an STL and to establish that the applicant is a fit and proper person to hold an STL licence (Schedule 1, Paragraph 5(3)(a)(ii)).

2 RECOMMENDATIONS

- 2.1 The Licensing Sub-Committee is asked to consider the application and all objections, and to determine whether the STL licence application for Ms Doig is to be granted; granted subject to conditions; or refused.
- 2.2 If the STL licence is granted, the sub-committee is asked to decide the period of the licence; the duration of the licence will be 3 years unless determined otherwise by the sub-committee.

2.3 If the STL licence is granted, the sub-committee is asked to agree that this be granted subject to the conditions and standards outlined in Appendices 2 and 3.

3 BACKGROUND

3.1 The Licensing of Short-Term Lets Order 2023 requires that where residential accommodation is provided by a host in the course of business to a guest, the accommodation is required to be licensed.

3.2 The STL application was received on 26 May 2023, and was dated 25 May 2023. Notices, under Paragraph 2 of Schedule 1 to the 1982 Act, were displayed at and around the property on 26 May 2023, and remained in place for the statutory minimum 21 days. These notices inform local residents of the licence application and give information regarding their right to submit objections and/or make representations in relation to the application.

Representations/objections received

3.3 The council has received nine objections from neighbours (Appendices 4 to 12). The objections concern:

- Excessive noise / antisocial behaviour
- Security
- Parking
- Accessibility

3.4 No objections have been received from consultees.

Matters to be considered by the sub-committee

3.5 In determining the application, the sub-committee must restrict itself to grounds of refusal specified in the 1982 Act. This states that an application shall be refused if:

- The applicant and/or any agent specified by the applicant are, in the opinion of the sub-committee, not fit and proper to be authorised to permit persons to occupy any living accommodation as an STL (Schedule 1, (3))
- The applicant and/or any agent specified by the applicant are disqualified by an order of a Court from holding an STL Licence. (Schedule 1, (5), (3))
- The Sub-committee determines that the property is not suitable for occupation as an STL, or cannot be made suitable by including conditions on the STL Licence (Schedule 1, (5), (3)(c))
- In determining whether any property is, or can be made to be, suitable for occupation as an STL the sub-committee must consider:

- The location, character or condition of the premises or the character or condition of the vehicle or vessel;
- The nature and extent of the proposed activity;
- The kind of persons likely to be in the premises, vehicle or vessel;
- The possibility of undue public nuisance;
- Public order or public safety; or
- Any other good reason for refusing the application

Terms of an STL Licence

3.6 An STL licence may include such conditions as the sub-committee thinks fit.

3.7 Any condition included in a STL licence may specify a date from which that condition is to have effect.

Grant of Licence and Conditions

3.8 The duration of the licence will be 3 years (maximum) unless determined otherwise by the sub-committee.

4 POLICY IMPLICATIONS

4.1 Licensing of Short-Term Lets is a statutory obligation for East Lothian Council. This report is based upon Legislation and Scottish Government guidance for licensing STLs.

Dear Sir,

It has come to our notice that the owner of 1, IVORY COURT, LANGRIGGS EH414BY has applied for a short term let's license.

We are concerned about this for two reasons.

(1) Our garden and drive are adjacent to IVORY COURT and we are worried that owing to ~~the~~ the lack of parking space the entrance to our drive may be blocked.

(2) Since the house in question overlooks our garden we are concerned that, if

parties are held there, there may be
excessive noise.

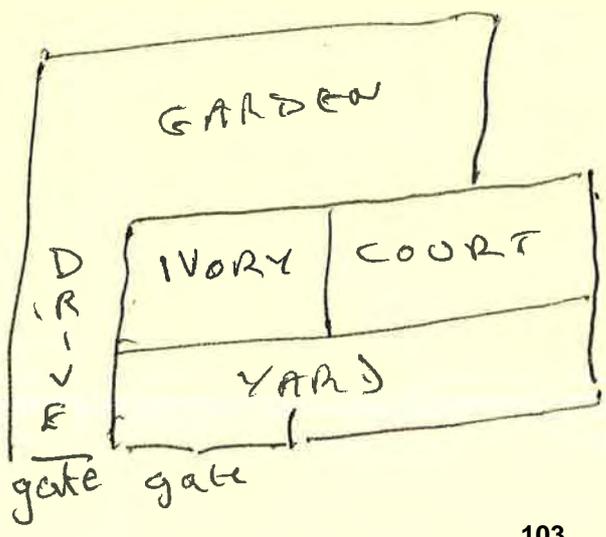

Yours Sincerely.

Dear Sir/Madam

I wish to submit my objection to the application for home sharing/short term let application for 1, Ivory Court, Haddington, EH41 4BY.

I am a resident of Haddington and I am aware of the setting of this property. I feel that it would be grossly unfair to allow a short term licence for this property due, to the fact that it is placed within a private gated area with one other house alongside. The disturbance for this other property could be huge with many people entering the private gates and courtyard and having to pass the other house to get access to number 1.

The noise level also within the garden area could also potentially be problematic for all residents living nearby, notably the older people's flats directly to the back of this property's garden at Carlyle Court.

I feel that this type of let would have a detrimental effect on the area and would set a precedent for future applications. The setting is especially important due to the fact that the house concerned is in a small, very compact area, with one other family home, sharing driveway and pathway. As short term lets are being denied to shared access properties, this application should also fall under this criteria.

Yours faithfully

Dear Sirs

1 Ivory Court Langriggs Haddington EH41 4BY

I refer to the above property and have been advised that the owners have applied for a licence to let the property on a short term basis.

I live at [REDACTED] directly behind the property in a residential estate primarily for older residents.

I wish to object in the strongest terms to approval of a letting licence for this property as it will have an adverse effect on the quality of life for the residents on my estate. My upper flat is very close to the garden at the rear of the property and I will certainly be disturbed by any activities in the garden in the evening.

This property at Ivory Court is on a residential estate and should be for families and residents as a home not a business.

I very much hope that the Licensing Board will see common sense and refuse this licence.

Yours faithfully

Dear Sir/Madam

The above application for home letting was brought to my attention recently. I am sorry but I completely oppose this venture.

I have resided at [REDACTED] for over 13 years and I moved here because of health reasons. My personal objection is that my bedroom is only a stone throw away in fact just 2 metres from Ivory court which is divided by a boundary wall. I use my bedroom several times a day for resting. Most of the residents in the court are age between 70 and 97 and a good majority are frail and also are struggling with health issues.

If this venture is approved the noise levels are bound to increase and the peace and tranquility we have enjoyed will end and residents health in this court will suffer.

Please consider the residents of Carlyle Court before making a final decision.

Yours Sincerely,

Wanda Lothian (mrs)

Dear Sir/Madam,

I am a resident and owner of [REDACTED] and the above planning application has been brought to my attention by my fellow residents in [REDACTED]

I am very worried about the prospect of having a number of temporary residents 'coming and going' at 1 Ivory Court which is very close indeed to my bedroom and those of my neighbours in this community. Carlyle Court was built with the elderly in mind and the current age range is 70 to mid 90s. During my stay here of 51/2 years here, 5 residents have passed away following a period of 'end of life care' in their own homes during which time we, as neighbours, were aware and very mindful of the need for quiet ; any noise such use of the garden for weekend guests having barbecues etc has the potential to cause distress in such circumstances.

Along with my neighbours, I am also concerned about the security of our properties, which has the potential to be compromised as a greater number of people become more aware of the existence of our community.

I look forward to your reply, and I would be happy to further discuss this.

Yours sincerely,

Patricia Oliver

Dear Sir/Madam

As a resident owner of [REDACTED] it has come to my and other residents owners attention that application has been submitted to you for the above proposed letting.

We are extremely upset and concerned about this as most of our residents are elderly (age range 70 to mid 90's) and the court was mainly built with the elderly population in mind. Indeed, the planning consent for the development contains relevant age restrictions.

The main reasons for our concern is the close proximity to the back of our property where most of our bedrooms are situated. The distance from the common boundary wall to our bedrooms is less than 2 meters. Obviously the noise level could be both very disturbing and disruptive, particularly to the many who are very elderly and very frail and use their rest area a great deal. Increased noise and disruption could have a negative impact on their health.

There is also a concern about the continued security of our properties, given a potentially high turnover of users. While we can't pre- judge the users, there is undoubtedly a greater number of people who could be made aware of the existence of our community, and the vulnerability of its residents. This is a risk we would rather avoid.

I would be happy to discuss this would you and look forward to your reply.

Yours sincerely

OBJECTION TO LICENCE FOR SHORT TERM LETS and/or SHARING

Applicant:- Elizabeth Doig

Location of Premises:- 1 Ivory Court, Langriggs, Haddington EH41 4BY

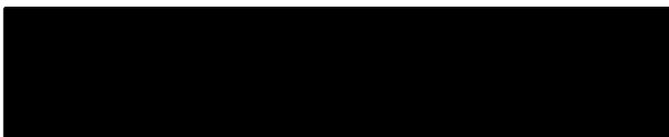

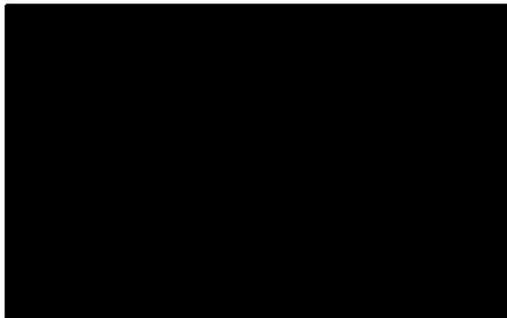

Reasons for objection

1. There is an extreme shortage of parking in Langriggs
(The entire length of Langriggs has "double yellow lines" but short term visitors will risk that.)
2. My neighbours on the south of my garden are the Sheltered Housing of the Beild with a huge need for carers who frequently have to park alongside my garden wall because of lack space on their road.
3. Residents in Langriggs were told that yellow lines had to be installed because of the possible call for emergency vehicles 24hours so we could not risk any more cars parked in the street.
4. Night access to Langriggs is restricted to longterm residents there, and is controlled by fobs. We would not be happy if there was widespread casual distribution of fobs to short-stay visitors.

This is not a suitable property for short-term casual visitors whose use of the area will cause problems for existing residents.

My name is Lorna Will
 I live diagonally opposite the above property at [REDACTED]

I have sadly had experience of short term lets as neighbours when I lived in the centre of Edinburgh. Rowdy drunken stag parties, loud music, more cars and eventually a couple of prostitutes took it on as a lucrative base for their business.

All this in Cornwall Street directly behind the Usher Hall in a listed building.

If Ms Doig is planning to be living there and renting rooms long term in her permanent home ,there would hopefully not be any of the above , but there very probably would be extra vehicles around in an area where there is already great difficulty for residents to park and I envisage a great deal of conflict in this area.

Ivory Court is a very secluded private area and the thought of strangers coming and going after all the horrendous ASB problems I have had living in Langriggs, is very disturbing.

I really don't like this idea, perhaps she should sell , get a flat and free up her money that way, this plan could upset the local community, we've been through enough , drug dealers, domestic violence ,child abuse, general anti social behaviour. It's quieter now thank goodness, we don't need any more stress.

Regards

Lorna Will

Dear Sir/Madam,

In reference to the application for short-term Home Sharing and Home Letting by the new owner of No.1 Ivory Court, Langriggs, Haddington, EH41 4BY, we write to oppose this application as it is not an appropriate proposal on the following grounds: **Location, Shared Access, Parking, Safety/Security, Disturbance/Noise, Unloading/Loading and Rubbish/Recycling.**

Location

The two attached houses No. 1 and No. 2 Ivory Court are a 2 House Development within a private shared yard in the residential area of Langriggs, Haddington see **Document No. 1.** Carlyle Court sheltered housing for the elderly and infirm is adjacent to the rear living area and garden of No. 1 Ivory Court. Transient neighbours and travellers arriving all hours, anytime of day in relation to disturbance and late nights is not appropriate for this kind of house within this residential location. Sheltered gardens and homes surrounding the property would be at risk of noise, disturbance and parking issues.

Shared Access and Layout of Ivory Court

For an overview of the layout please see **Document No.1 our Title Deed Boundary Map.** Our property [REDACTED] Ivory Court is highlighted in pink on the Deeds sheet and the shared access yard highlighted in blue. We have a Home Office/Storeroom at the southern boundary of the yard, and our house at the far northern end. In order to access our house we have to enter the shared private communal space through double brown gates from Langriggs see **Document No. 2.** This is the only entry and exit points to both properties of No.1 and No.2 Ivory Court.

Document No.3 shows the view as you enter the communally shared yard. To Access our property at [REDACTED] we have to walk past the garage and full front house dimensions of No.1 Ivory Court, a distance of approximately 14.65 metres. The dimensions of the yard at the southern widest point is 5.5m, and the width across the narrow point across from the front door of No.1 is 4.18m, please see **Document No.4.** The shared communal yard narrows to 2m. Once the entrance gates are closed, the yard is and private and secluded. Please see **Documents No.5 and Document No.6.** Our children [REDACTED] [REDACTED] play in the yard with friends from Primary and Secondary school ages.

SemiChem Fire Exit

The Fire Exit for SemiChem is at the rear of the shared communal yard of the two properties, and they have a Right of Way through our yard for emergency and delivery purposes **Documents No. 3, 4 and 5**. Show this emergency exit and its location. We quote from the second Paragraph of Burden 1 on our Title Deeds: -

'There shall be reserved, to the Proprietors of the shop premises at 39 High Street, a right of access to and over the area of ground tinted green on the Title Plan, but said right of access shall be limited to the purposes of delivering goods to said shop premises and as an escape route in the event of fire or other emergency;'

The Store Manager has expressed her concern that any obstruction to this right of way at Ivory Court would affect employees fire escape route. The yard is kept free of obstruction but blocking this pathway by vehicle, bicycles, unloading luggage, sports equipment from short-term Home Sharing/Home Letting visitors who have no knowledge of how the logistics of the yard work, must be prevented. During an on-site meeting with Thomas Elliott of SemiChem's Property Department on the 13th June, we discussed the obstruction element to parking in the yard. He was of the opinion that one vehicle could allow space to exit should there be an emergency situation, however the space would need policing, something that cannot be assured. We address the complexities of parking at Ivory Court below.

Parking

Due to the complexities of the parking arrangements and layout of the two houses at Ivory Court, we have to closely co-exist. Communication between our two attached properties to facilitate parking in front of our gates is vital because we have to have access to our van and car for work on a daily basis. We have to park our van outside the home office/storeroom, which means that we park the family car in the position in front of our access gate as shown in **Documents No.7 and No.8**. Parking within the shared yard is logistically unworkable and will also obstruct SemiChem's Right of Access. Parking at Ivory Court is a very complex situation. No.1 Ivory Court has been changed to work as 4-bedroom property; this means multiple vehicles arriving.

Parking on Langriggs is severely restricted within the residential area and is a huge problem for residents. Any further pressure on this will intensify the problem and spill out further onto Langriggs and the Butts where access for Emergency vehicles is paramount. We detail the parking bays that are available to both Langriggs residents and visitors, as well as shoppers on the High Street see **Document No. 9**. 90 minutes parking restrictions Mon- Sat are in place. Lack of available parking means people are using the double yellow lines **Document No.10**. and parking bays are in high demand see **Document No.11**.

Loading/Unloading

The area outside of our gates at Ivory Court is surrounded by Double Yellow Lines onto Langriggs. Boots delivery yard is adjacent to our gates and they require constant access for their deliveries, which are often articulated Lorries struggling to turn and manoeuvre. The store manager at Boots has expressed his strong concerns. Arrival, leaving and unloading in front of our gates will cause extra disruption with unloading and loading of equipment for example bikes, surf boards, shopping and suitcases. The nature of our work means we are moving large framed glazed paintings into and out of our vehicles on a regular basis, so it is imperative that the yard and gates are kept clear to enable us to operate.

Safety and Security

On a site visit by Thomas Elliott from The Property Department of SemiChem on the morning of the 13th of June, he pointed out a restriction of Emergency vehicles access should there be obstruction within the yard by those not familiar or caring about the building. From a residential safety point of view and considering that the shared yard is our only fire exit point, we are extremely concerned as to how the emergency services would access our property in such a circumstance. The nearest Fire Hydrant is approximately 45metres away from our entrance/exit gate.

We as a family will feel extremely insecure with strangers of short-term Home Share and Home Let coming and going and staying next door within our enclosed shared yard as we will never know who is occupying the neighbouring house. This will leave our family in an uncertain set up.

We would find it difficult to go to work knowing we leave our children to come home after school. Our children and their friends play in the enclosed yard unsupervised but when we are away from our house working, there will be no one to monitor what is going on behind the private gates. The yard continues and passes our house to the end of our property without a boundary. When we are absent from home we are very concerned for the security of our property as there is no clear denomination between the two properties. The two attached houses are often mistaken as one house by post man/women, couriers and visitors.

Rubbish and Recycling

Within our small shared contained yard regular attention to the dealing and build-up of rubbish and recycling is essential. We have strong concern that this will break down because of changeover of occupants and will be hard to maintain should a Short-Term Let license be granted. We have a history of rats.

Display of short-term letting application

We are disappointed that the owner of 1 Ivory Court had not correctly displayed her application correctly from the 26th of May until 6th of June to the public as stated in your notice, we quote: *'This notice must be displayed on or near the short-term let property in a position where it can be easily read by the public.'* The application had been taped in a plastic sheet whereby the 2nd sheet that holds all the important information such as dates and contact details for the council was hidden. It was displayed on a lamppost where only us and No.1 pass. We had several neighbours asking where to write to.

To elaborate on a personal note.

The mentioned application has really shaken us and is jeopardising our feeling of a secure home and community here at Ivory Court. We would like to stress the following issues for you to kindly also consider:

- **Wellbeing and family life:** The licencing for short-term Home Sharing and Home Letting will have a huge detrimental impact on our wellbeing and daily family life and to our profession as artists living here. Our homelife has been happy and secure for the last 13 and a half years something that is of utmost importance for us as creative people.
- As self-employed artists we work often from home using also our home office within the shared yard. On a regular basis, we are regularly going between our house and home office.
- **Security and Safety:** We will never know who is occupying the neighbouring house with its multi occupancy use. The privacy and seclusion of the enclosed gate access is what attracted us to purchase No.2 Ivory Court in December 2010. The implications for the Emergency services accessing our property at all hours of the day and night is crucial.

- **Noise, disruption and disturbance** Our kitchen, conservatory, living room and garden patio are attached/next to the rear of No.1 Ivory Court. Two of our bedrooms face out the back where the garden patio and living are of No.1 is. One of the bedrooms which our youngest and middle son share, face the shared yard. The disruption of transient neighbours and travellers arriving and leaving all hours in such an enclosed setting is not appropriate. Our middle son is studying for his National five exams and our eldest his Advanced Highers next year.
- **Our Home:** We have sought advice from an Estate agent who confirmed that the saleability of our house will be negatively affected should the short-term licence for No. 1 Ivory Court be approved.

To summarise

There are of course places where short-term Home Sharing and Home letting are perfectly appropriate but we feel strongly that No. 1 Ivory Court is not the right house nor the right location on the grounds of **Location, Shared Access, Parking, Safety/Security, Disturbance/Noise, Unloading/Loading and Rubbish/Recycling.**

We are disappointed and extremely concerned that despite asking the owner, this application has been made without consideration for ourselves a [REDACTED] and the Langriggs community as a whole. Given the location and complexities of the situation we respectfully suggest that members of the Committee and Licencing should visit Ivory Court.

We have enclosed photographs and diagrams of our location to support our objection as well as a list of names and signatures of members of both the Langriggs and Carlyse Court community who oppose this application see **Document No. 12.**

Yours faithfully,

[REDACTED]
