Date of application

Date of decision (if any)

Note. This notice must be served on the planning authority within three months of the date of decision notice or from the date of expiry of the period allowed for determining the application.

4. Nature of Application

- Application for planning permission (including householder application)
- Application for planning permission in principle
- Further application (including development that has not yet commenced and where a time limit has been imposed; renewal of planning permission and/or modification, variation or removal of a planning condition)
- Application for approval of matters specified in conditions

5. Reasons for seeking review

- Refusal of application by appointed officer
- Failure by appointed officer to determine the application within the period allowed for determination of the application
- Conditions imposed on consent by appointed officer

6. Review procedure

The Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable them to determine the review. Further information may be required by one or a combination of procedures, such as: written submissions; the holding of one or more hearing sessions and/or inspecting the land which is the subject of the review case.

Please indicate what procedure (or combination of procedures) you think is most appropriate for the handling of your review. You may tick more than one box if you wish the review to be conducted by a combination of procedures.

- Further written submissions
- One or more hearing sessions
- Site inspection
- Assessment of review documents only, with no further procedure

If you have marked either of the first 2 options, please explain here which of the matters (as set out in your statement below) you believe ought to be subject of that procedure, and why you consider further submissions or a hearing necessary.

I have repeatedly raised a complaint that planning is not required (see document attached) and have not had any response to this. A face to face meeting might finally draw a response from the authority and make them explain their reasoning

7. Site inspection

In the event that the Local Review Body decides to inspect the review site, in your opinion:

- Can the site be viewed entirely from public land?
- Is it possible for the site to be accessed safely, and without barriers to entry?

If there are reasons why you think the Local Review Body would be unable to undertake an unaccompanied site inspection, please explain here:

Arrive in the morning and press the service button to gain access to the public area

8. Statement

You must state, in full, why you are seeking a review on your application. Your statement must set out all matters you consider require to be taken into account in determining your review. Note: you may not have a further opportunity to add to your statement of review at a later date. It is therefore essential that you submit with your notice of review, all necessary information and evidence that you rely on and wish the Local Review Body to consider as part of your review.

If the Local Review Body issues a notice requesting further information from any other person or body, you will have a period of 14 days in which to comment on any additional matter which has been raised by that person or body.

State here the reasons for your notice of review and all matters you wish to raise. If necessary, this can be continued or provided in full in a separate document. You may also submit additional documentation with this form.

A full statement has been set down in the document supplied to Fiona Currie

Have you raised any matters which were not before the appointed officer at the time your application was determined? Yes No

If yes, please explain below a) why your are raising new material b) why it was not raised with the appointed officer before your application was determined and c) why you believe it should now be considered with your review.

the answer here has to be yes. The case officer in his/her refusal extended the terms of reference and raised matters which were not addressed by the questions set in the original application. He?She instigated a wider discussion and consequently to rebut these points I have also had to expand on and add to my information.

9. List of Documents and Evidence

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review
