SUPPLEMENTARY APPLICATION INFORMATION

This information is required in relation to all Premises Licence/Provisional Licence applications or any application which is a Premises Licence Variation, not considered to be a Minor Variation.

Application submissions generally tend to be insufficiently detailed as to provide a complete picture of what businesses propose to provide the public. Therefore, Licensing Boards often have too little information, in advance of Board hearings, to fully appreciate what is being applied for. This situation often leads to numerous unnecessary objections and representation being made due to interested parties, such as neighbouring residents, not understanding what proposed activities really relate to i.e. What does Live Music actually mean and how will it impact on their lives. For these reasons, the Board has made a policy decision to require applicants to provide a fuller description of their business proposals and detail how the five licensing objectives will be met.

BUSINESS PROFILE

Please describe your business offering

We have created a Continental Style Cafe which include sit in facilities for Breakfast / Lunch and Evening Menu. Alongside food we would offer an off sales facility when asked for when alcohol is requested for delivery with food at the time of ordering ID will be requested in accordance with our Age Verification Policy this will include the recipient being asked if the alcohol will be for their own consumption. Subject: LICENSING (SCOTLAND) ACT 2005

PREMISES LICENCE APPLICATION

MAZZOLI CAFÉ, 6 HIGH STREET, HADDINGTON, EAST LoTHIAN EH41 3ES

I refer to the above subject and can confirm that the applicant has liaised with the LSO in relation to this application and I have visited the premises.

I can confirm that the application is compliant with the act. The on-sale hours and off-sale hours are within the Board's policy.

The applicant Mr Kinnoch is an experienced licensee who successfully runs the Tyneside Tavern in Haddington to a high standard.

Mazzoli Café has been operating on occasional licences for over 2 years. In that time no complaints have been received and no compliance issues identified. This application for a full premises licence is welcomed as a positive move forward.

I recommend the following condition be considered:

- 1) Should a service of delivery of alcohol to customers be conducted, the terms of the Licensing (Scotland) Act 2005 Section 119 and those of the Board's statement of licensing policy on deliveries of alcohol, should be complied with.

If successful in obtaining the premises licence, the premises will be subject to a licensing inspection.
