**1e. Application for Consideration**

**Musselburgh & Inveresk Community Council**

The Common Good Committee considered an application submitted by Estates for the amount of £64,407.23 for the purposes of having new lights installed at the Rennie and Roman bridges.

Members discussed the application and the decision was made to reject it due to lack of information contained within the documentation submitted. This decision was not unanimous and instead voted two votes to one.

**Decision**

The application was rejected based on lack of information within the documentation provided.
