OCCASIONAL LICENCE APPLICATION(S) – OCC368-370/24

TEJINDER SINGH BATH, 103-105 HIGH STREET, TRANENT, EAST LoTHIAN, EH33 1LW

The applicant is Tejinder Singh Bath who is a personal licence holder. Application has been made for 35 occasional licences for 3 occasional licences for a new retail premises on High Street . To date no premises licence application has been received for this premises.

The duration of the applications are:

OCC368/24 – 3rd June - 16th June 2024, 10am-10pm

OCC369/24 – 17th June - 30th June 2024, 10am-10pm

OCC370/24 – 1st July - 14th July 2024, 10am-10pm

I refer the Board to Section 23.2 of the Statement of Licensing Policy:

23.2 - Section 59(6) of the Act specifies the grounds for refusal of an application for an Occasional Licence. These grounds include “that the Licensing Board considers the granting of the application would be inconsistent with one or more of the licensing objectives”. These licensing objectives include: -

- *Securing public safety.*
- *Protecting and improving public health*
- *Protecting Children and Young Persons from harm.*

The scrutiny given to an application for a Premises Licence is not available where premises operate under a series of consecutive Occasional Licences. In the interests of securing public safety, and/or, for protecting and improving public health, the Board, considers that it is not appropriate for a premises to operate on a series of consecutive Occasional Licences, rather than apply for a Premises Licence. The Board will require an applicant to explain at a Hearing why an application for a Premises Licence is not being made unless the Clerk of the Board is satisfied that there are good reasons that prevent such an application, that are not within the control of the applicant.

Where an application is to allow premises to trade on a regular basis prior to a Premises Licence application having been determined, the application will be referred to the Board for consideration in the first instance.

In line with board policy above, I refer the applications to the Licensing Board for determination if the applicant can justify their request and if the measures demonstrated promote the five licensing

objectives for the grant of the occasional licences.

Dear Sir/Madam,

**LICENSING (SCOTLAND) ACT 2005
OCCASIONAL LICENCE APPLICATION
PREMISES: 103-105 HIGH STREET, TRANENT, EAST LOTHIAN, EH33 1LW.
APPLICANT: TEJINDER SINGH BATH, [REDACTED]**

I refer to the above application and in terms of Section 58(1)(b)(ii) of the Licensing (Scotland) Act 2005, I make the following representation in relation to the application:

The applicant is currently listed on police systems as being the designated premises manager at 'Booze, Vape, and Talk' in Morningside, Edinburgh and I would seek clarity on how he intends to run both properties simultaneously while maintaining appropriate standards in line with the licensing objectives.

Police Scotland are of the opinion that the responsibility for confirming the identity of the applicant, and the validity and current status of any Premises or Personal Licence (including details of any previous or existing suspensions, variations, written warnings or endorsements) quoted on the application form where it was issued in another Board area, rests with the Local Authority and the Licensing Board, not with the Police. When the Police receive such applications we will assume that these checks have been adequately conducted at the point of application and prior to the enquiry being submitted to Police Scotland.

This representation is submitted for your attention in consideration of this application.

OFFICIAL

Yours faithfully

Catriona Paton
Chief Superintendent
