1A. Application For Consideration

MUSSELBURGH SEA CADETS

The Common Good Committee considered an application by Musselburgh Sea Cadets for the sum of £6500 to support various events throughout 2024.

The Members discussed the application and agreed to fund in part. Their decision reflected the fact that not all events covered by the application were open to the wider public and, as such, did not meet the criteria of 'common good'.

Decision

The Common Good Committee agreed to grant the application in part, with the sum of £3,100.

Signed: _____

Councillor Ruairidh Bennet
Chair (Temp) of the Musselburgh Common Good Committee
